

## Hurstbridge Line Duplication works

# Changes around Greensborough Station

Works

Mon 6 Mar to  
Sun 30 Apr

**While buses replace trains on the Hurstbridge Line from 8.30pm Thursday 16 March to last service Saturday 29 April, we're upgrading Greensborough Station.**

During this time, the station will close and there will be no overpass access between Poulter Avenue and Para Road. Customer service staff, toilets and myki facilities will be available at Watsonia and Eltham stations.

### Car space closures

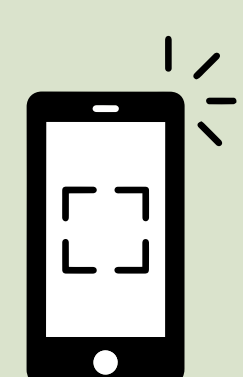

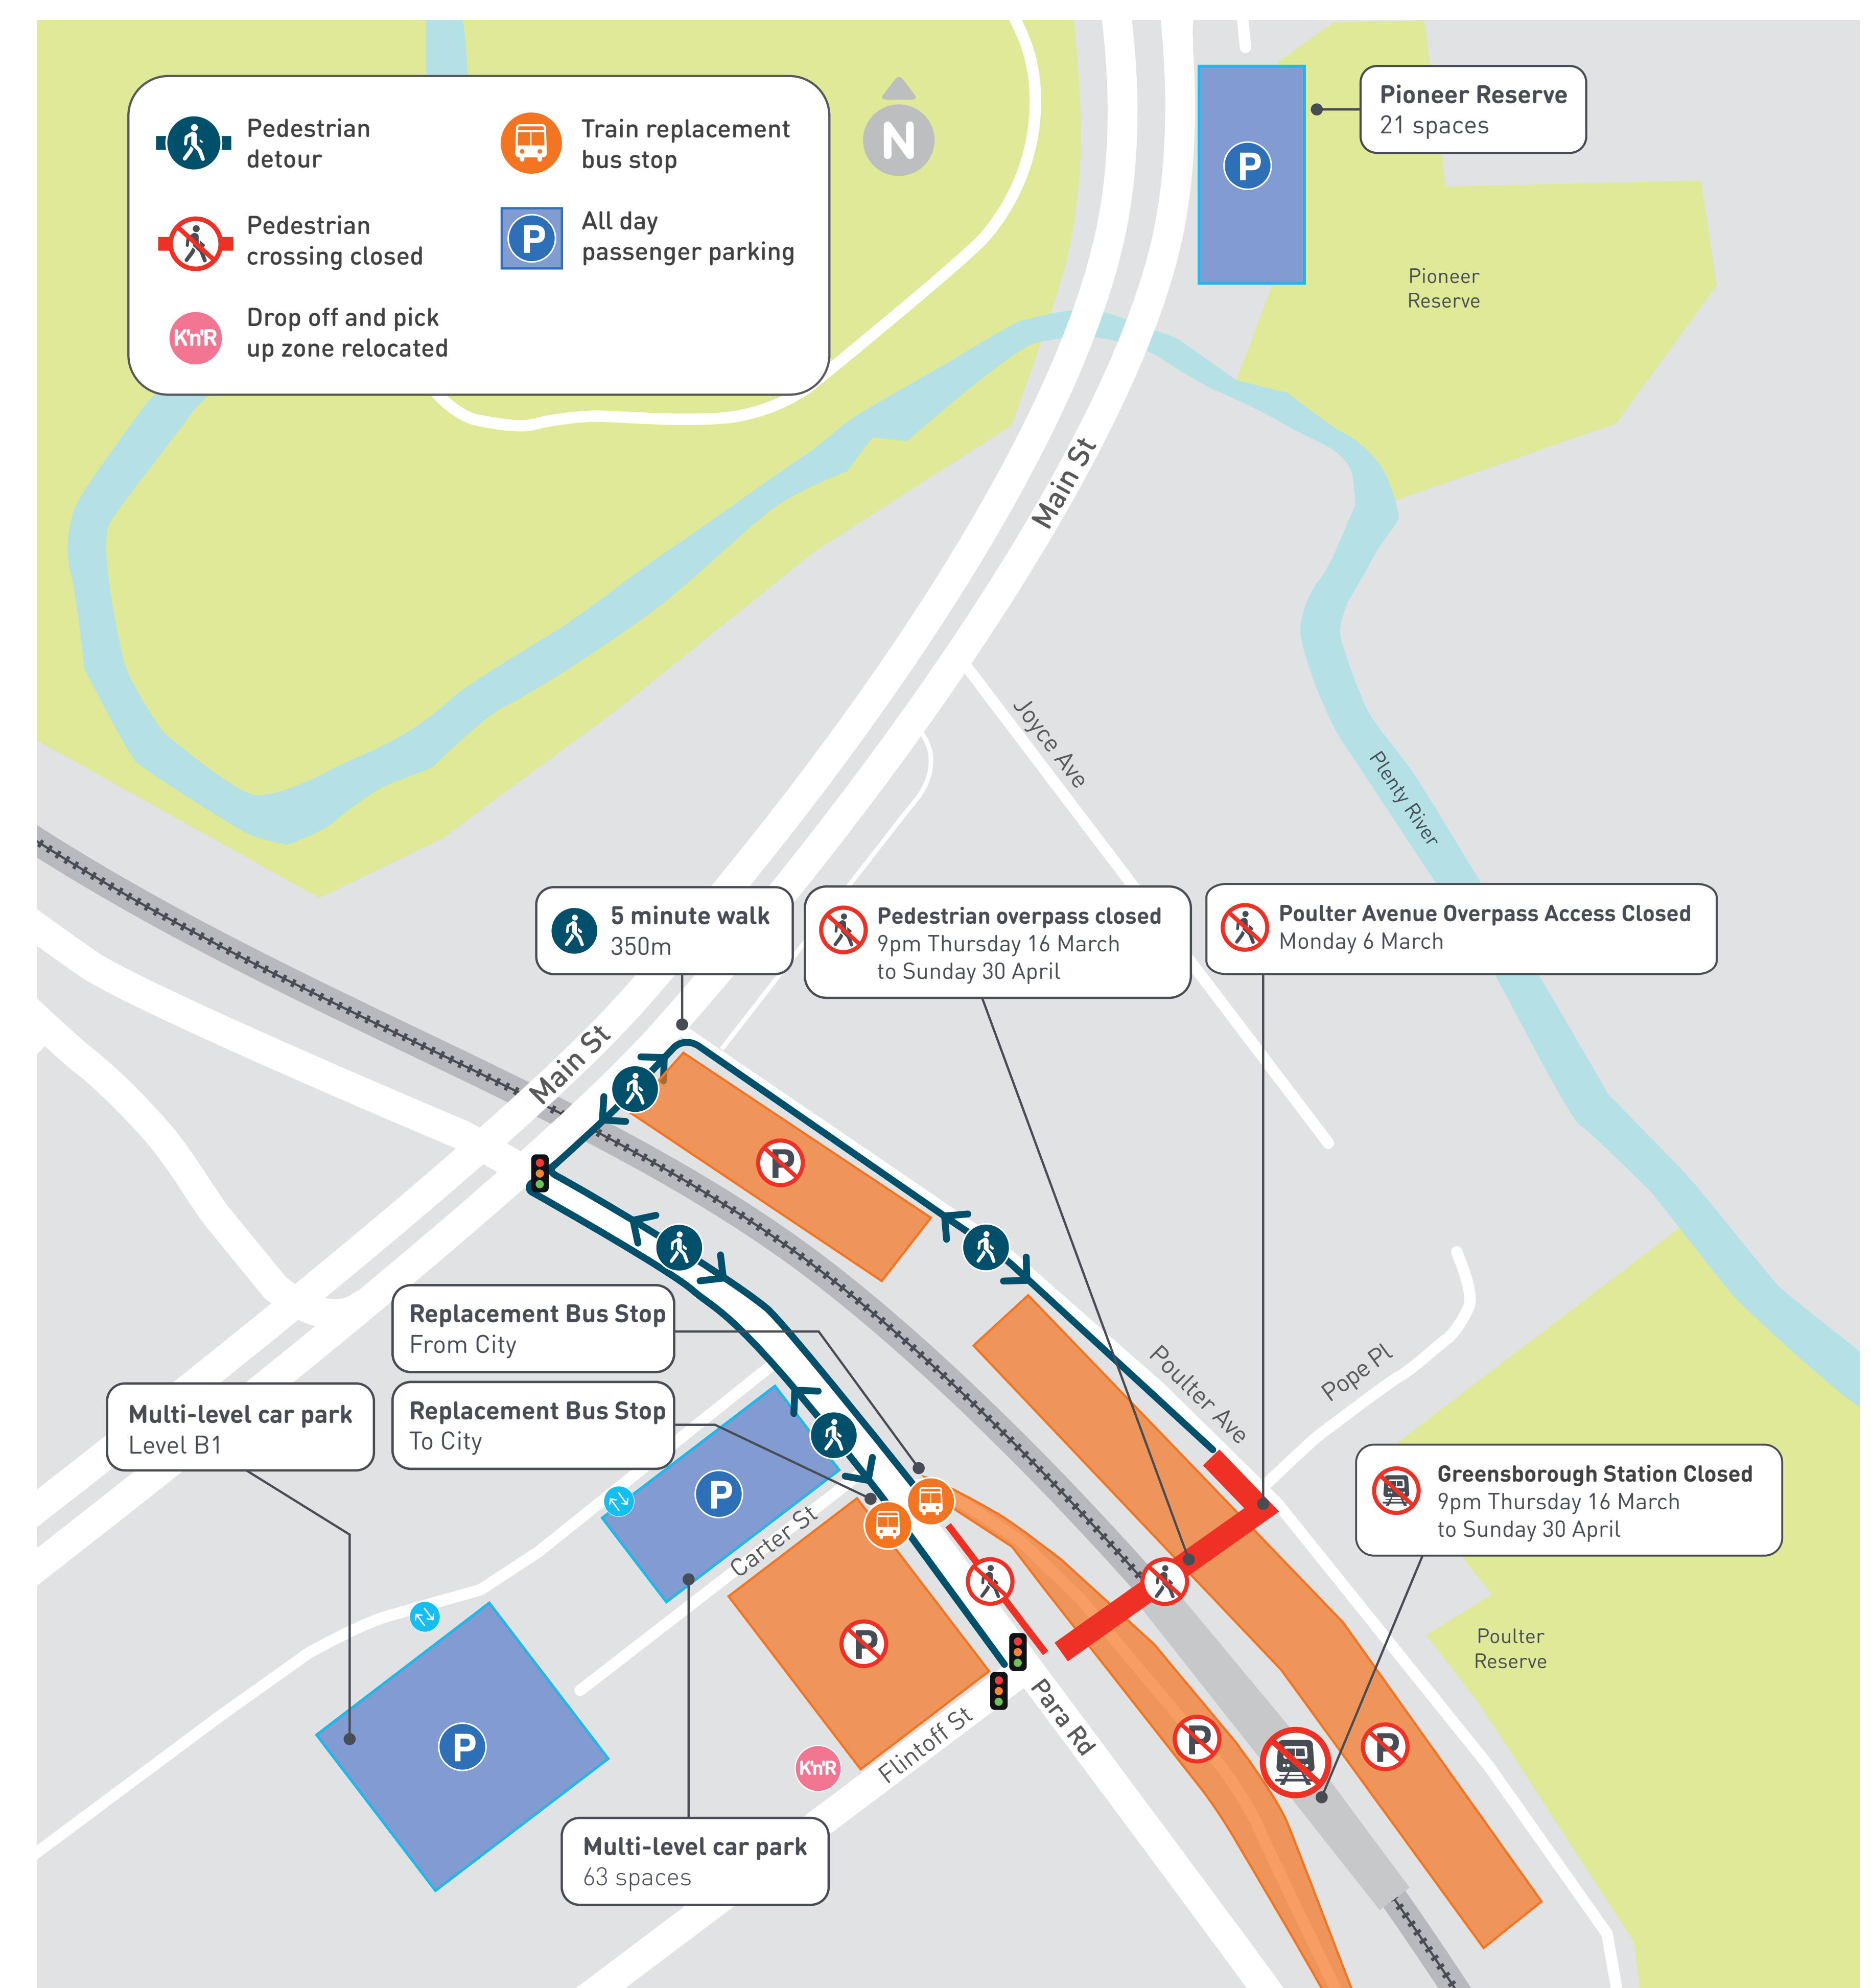

Poulter Avenue car park is closed from **9pm Thursday 16 March to Sunday 30 April**.

The car park on the corner of Para Road and Flintoff Street is closed from **Monday 6 March**. Alternate all-day parking is available at the multi-level car park off Flintoff Street or Pioneer Reserve.

### Pedestrian access changes

A section of the pedestrian pathway between Greensborough Station and the From City replacement bus stop on Para Road will close from **Thursday 23 March**. A pedestrian detour is in place during this time via Main Street.

**The new Greensborough and Montmorency stations will open and 2.5k of duplicated rail track along sections of the line when trains resume on Sunday 30 April. Works will continue on final touches for parking and around station precincts until mid-2023.**
