## Laurens Street public realm works

Laurens Street, North Melbourne

**Monday 11 September to Thursday 28 September**

From Monday 11 September to Thursday 28 September, there will be temporary changed traffic conditions on Laurens Street, between Barwise and Queensberry streets to enable public realm works.

On Monday 11 September, there will be a single day closure of Laurens Street, between Barwise and Queensberry streets, from 7am to 6pm.

This will support the shifting of construction barriers to the western side of Laurens Street for footpath reinstatement and public realm works.

From Tuesday 12 September to Thursday 28 September, there will be a northbound lane closure on Laurens Street, between Barwise and Queensberry streets, to enable the construction of a bus shelter and pull-in area and a separated bicycle lane on the western side of Laurens Street.

### What we are doing

- Shifting construction barriers from the eastern side of Laurens Street to the western side of Laurens Street between Arden and Queensberry streets
- Removing and reinstating a section of the existing eastern footpath on Laurens Street, between Arden and Queensberry streets which involves non-destructive digging, excavating and saw cutting
- Constructing a bus shelter and pull-in area and installing new footpath surface on the western side of Laurens Street between Barwise and Queensberry streets
- Installing a separated bicycle lane on Laurens Street between Arden and Queensberry streets.

### What to be aware of

- To safely shift construction barriers, Laurens Street will close to vehicles and cyclists between Barwise and Queensberry streets on Monday 11 September from 7am to 6pm
- During the single day road closure, vehicles will be detoured via Dryburgh Street and cyclists will be detoured via Munster Terrace or Dryburgh Street
- The western footpath on Laurens Street between Arden and Queensberry streets will be closed and a pedestrian detour to the eastern footpath will be in place
- From Tuesday 12 September to Thursday 28 September, the northbound lane on Laurens Street, between Barwise and Queensberry streets will be closed
- During the northbound lane closure, vehicles travelling north will be detoured via Dryburgh Street and cyclists will be detoured via Munster Terrace
- Local access to properties will be maintained at all times
- These works are expected to generate periods of medium to high level noise and some vibration.
- These works are expected to take place during normal working hours only.

### When

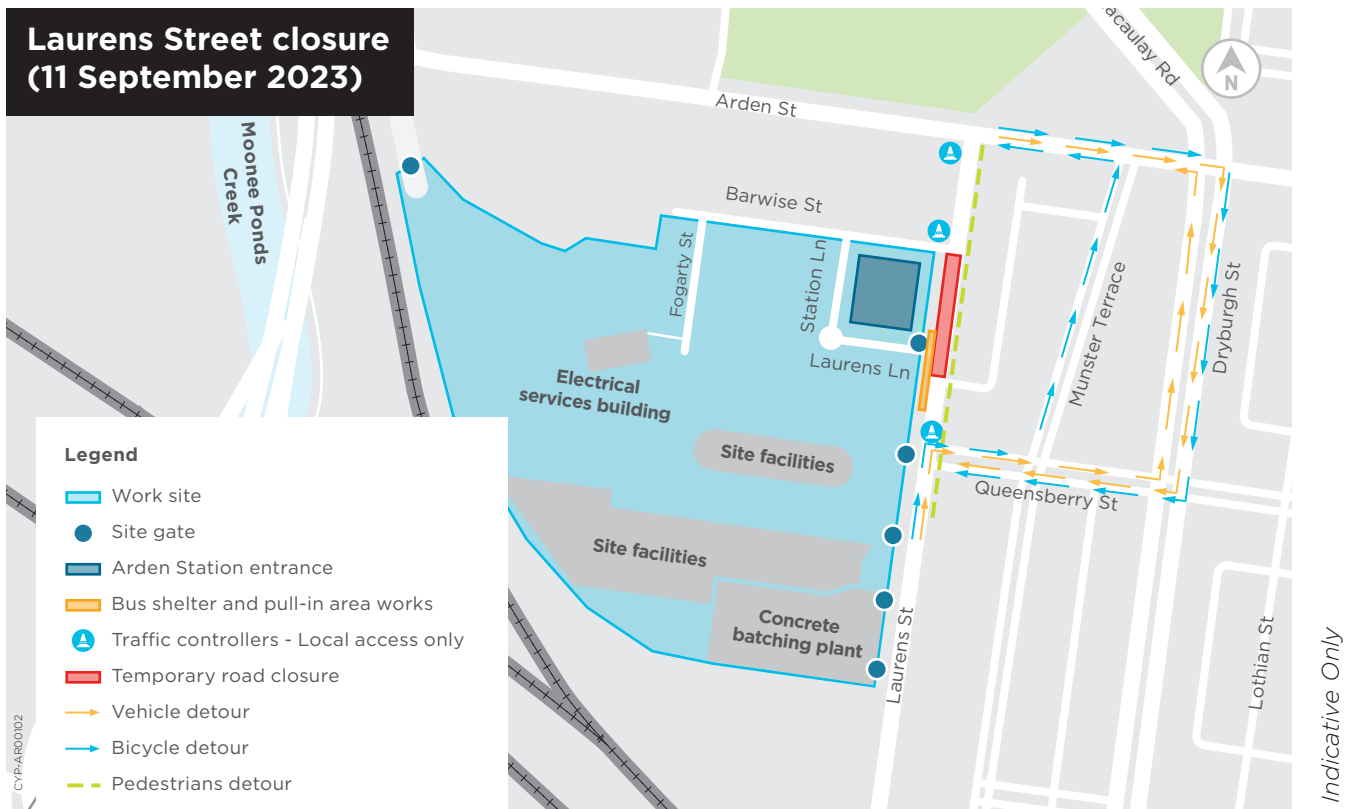

- 7am to 6pm, Monday to Friday
- 7am to 1pm, Saturdays.

Further information on these works can be found at [metrotunnel.vic.gov.au](https://metrotunnel.vic.gov.au)
