**WE RECOVER RESOURCES  
AND GIVE THEM NEW LIFE**

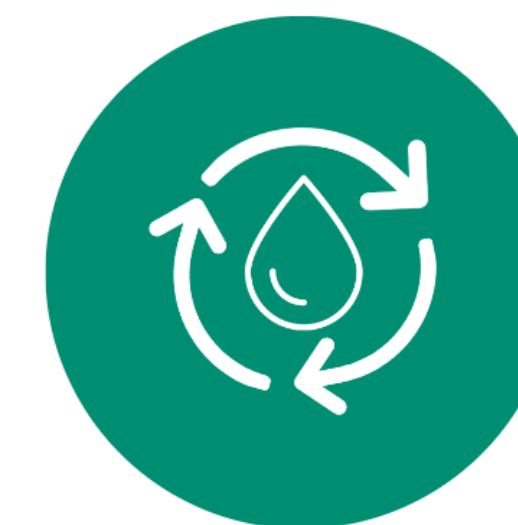

# OUR CIRCULAR APPROACH

Materials are received  
Resources arrive at  
Repurpose It

Materials are processed  
We treat materials at our  
resource recovery precincts,  
including our Australian first  
wash plants

Outputs are created  
Quality landscaping and  
construction materials are  
produced and tested

Supplied back to  
communities  
Products used for  
construction and  
landscaping projects in  
the community
