

# Markets Acceleration Program

We support technical and commercial development of recycled products

Contact us: [marketsacceleration@sustainability.vic.gov.au](mailto:marketsacceleration@sustainability.vic.gov.au)

Energy,  
Environment  
and Climate Action

An initiative  
of Victoria's  
Big Build

# ecologia® Greener Infrastructure Conference 2023

18–20 September 2023

Melbourne Convention  
& Exhibition Centre

## We support investors over the lifecycle of projects

### Promote Circular Economic investment opportunities in Victoria

- Aligned with Victorian policy targets – states greatest needs

### Support business case development

- data and information
- financial and non-financial support
- connect you with potential partners and research institutes
- insight on local markets and conditions

### Coordinate the investor relationship across government

- Local, state and commonwealth and other support agencies
- EPA and other regulatory authorities (e.g. planning)
