

# Works Notification

## Site establishment and demolition

Monash | October 2023 - February 2024

Works are underway in Monash to deliver SRL East for Melbourne and Victoria.

We're establishing the site at the location of the SRL East station at Monash.

This will involve the demolition of the existing building at 20-24 Howleys Road, setting up fencing around the site and changes to the driveway and footpath.

These works will be carried out from **late-October for up to five months**.

These works will be undertaken during day-time working hours.

### Day-time working hours

7am - 6pm, Monday to Friday  
7am - 1pm, Saturday

### 20-24 HOWLEYS ROAD

**From late-October for up to five months**

- Removal of trees and vegetation
- Demolition of the existing building
- Driveway widening works
- Earthworks to level the site and drainage installation.

### Local traffic changes

- Localised pedestrian detours around the work site
- Changed traffic conditions on Howleys Road
- Please see over the page for detail.

### How we will manage our works

These works may generate dust, noise and vibration. We will minimise impacts to the community by:

- Scheduling works to minimise impacts
- Monitoring air quality
- Using water trucks and dust suppressants where required
- Covering truck loads when transporting materials from site to minimise dust
- Positioning equipment as far as possible from businesses and turning it off when not in use.

### Noise impacts

As with all major infrastructure projects, surrounding communities may experience some impacts during construction.

The project will work with businesses and residents to reduce impacts and provide support when needed.

Please contact us on **1800 105 105** to discuss support available if you are impacted by our works.

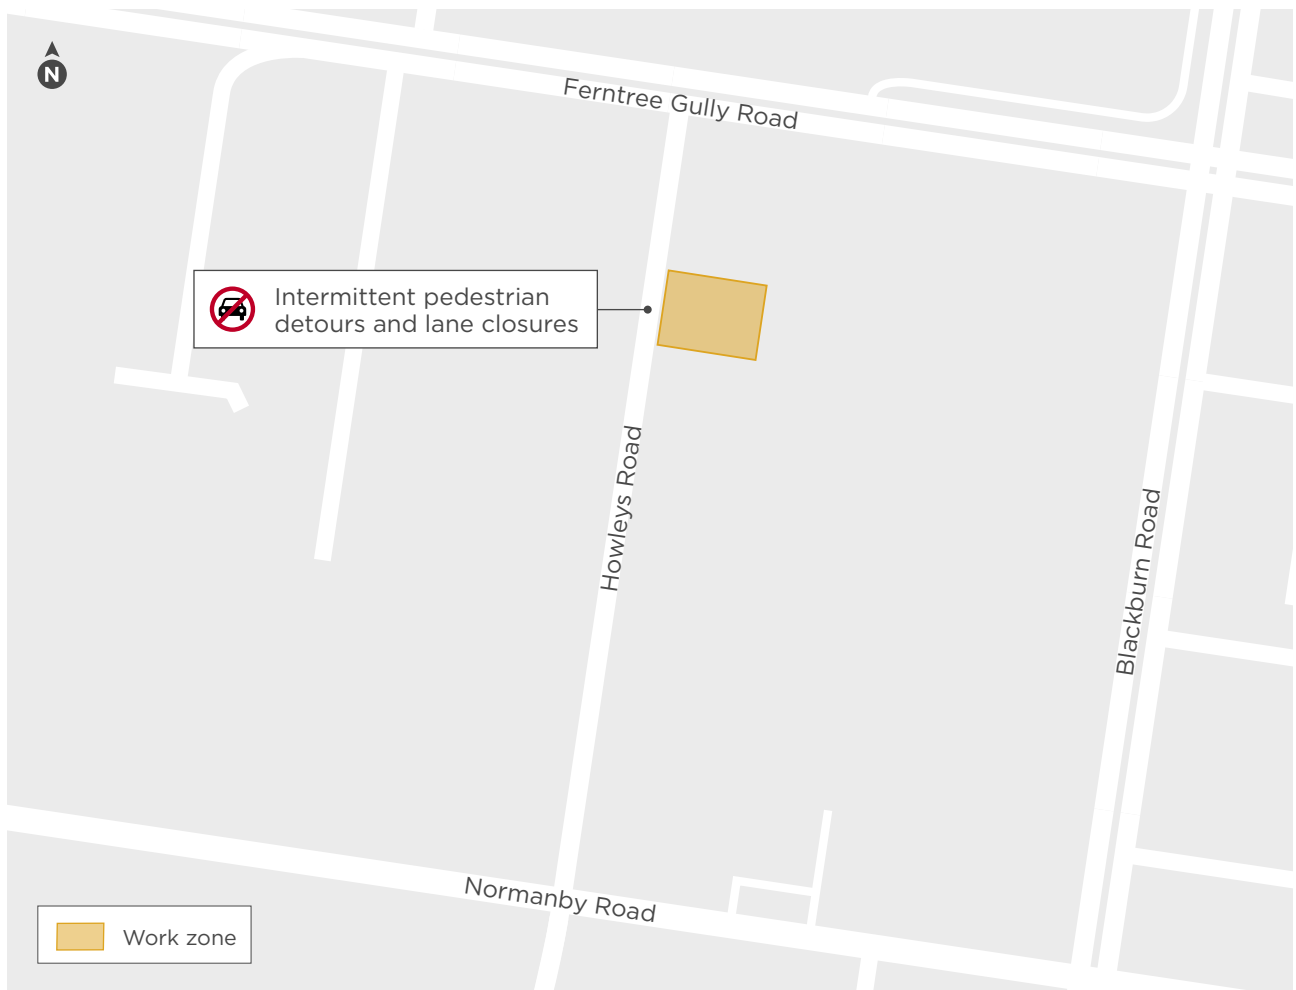

### Future works

Gas relocation works will be undertaken along Ferntree Gully Road and Normanby Road after the completion of these works. We will provide further details about what to expect in the coming months.

## Traffic changes

Traffic changes are needed to complete these works. Vehicle and pedestrian access to businesses will be maintained at all times with help from traffic controllers when required. Please see the table and map below for details of traffic changes in the area.

Dates	Travel change
Late-October for up to four months	<b>Howleys Road:</b> Intermittent pedestrian detours around the work site
Mid-January for up to four weeks	<b>Howleys Road:</b> Intermittent day time lane closures. Traffic maintained in both directions. Footpath closure on eastern side of Howleys Road

Thank you for your patience and cooperation as we progress the delivery of SRL East and a new underground station at Monash

To receive SRL East works reminders via **SMS** simply text **MONASH** to **0429 469 592**
