

# Works notice

## Temporary closure of Arthur Street

Arthur Street, South Yarra

**Saturday 2 December to Sunday 3 December**

Works to install a fence within the rail corridor have been scheduled for Saturday, 2 December. To support these works within the rail corridor, a section of Arthur Street will be closed from Saturday 2 December to Sunday 3 December.

### What we are doing

- Installing a fence within the rail corridor near the rail maintenance staircase
- Closing a section of Arthur Street overnight
- Using a 20 tonne crane on Arthur Street to lower the fence and other materials into the rail corridor
- Using handheld tools to install the fence.

### When

- Works will be carried out from 6pm Saturday 2 December to 7am Sunday 3 December.

### Metro Trains rail maintenance works

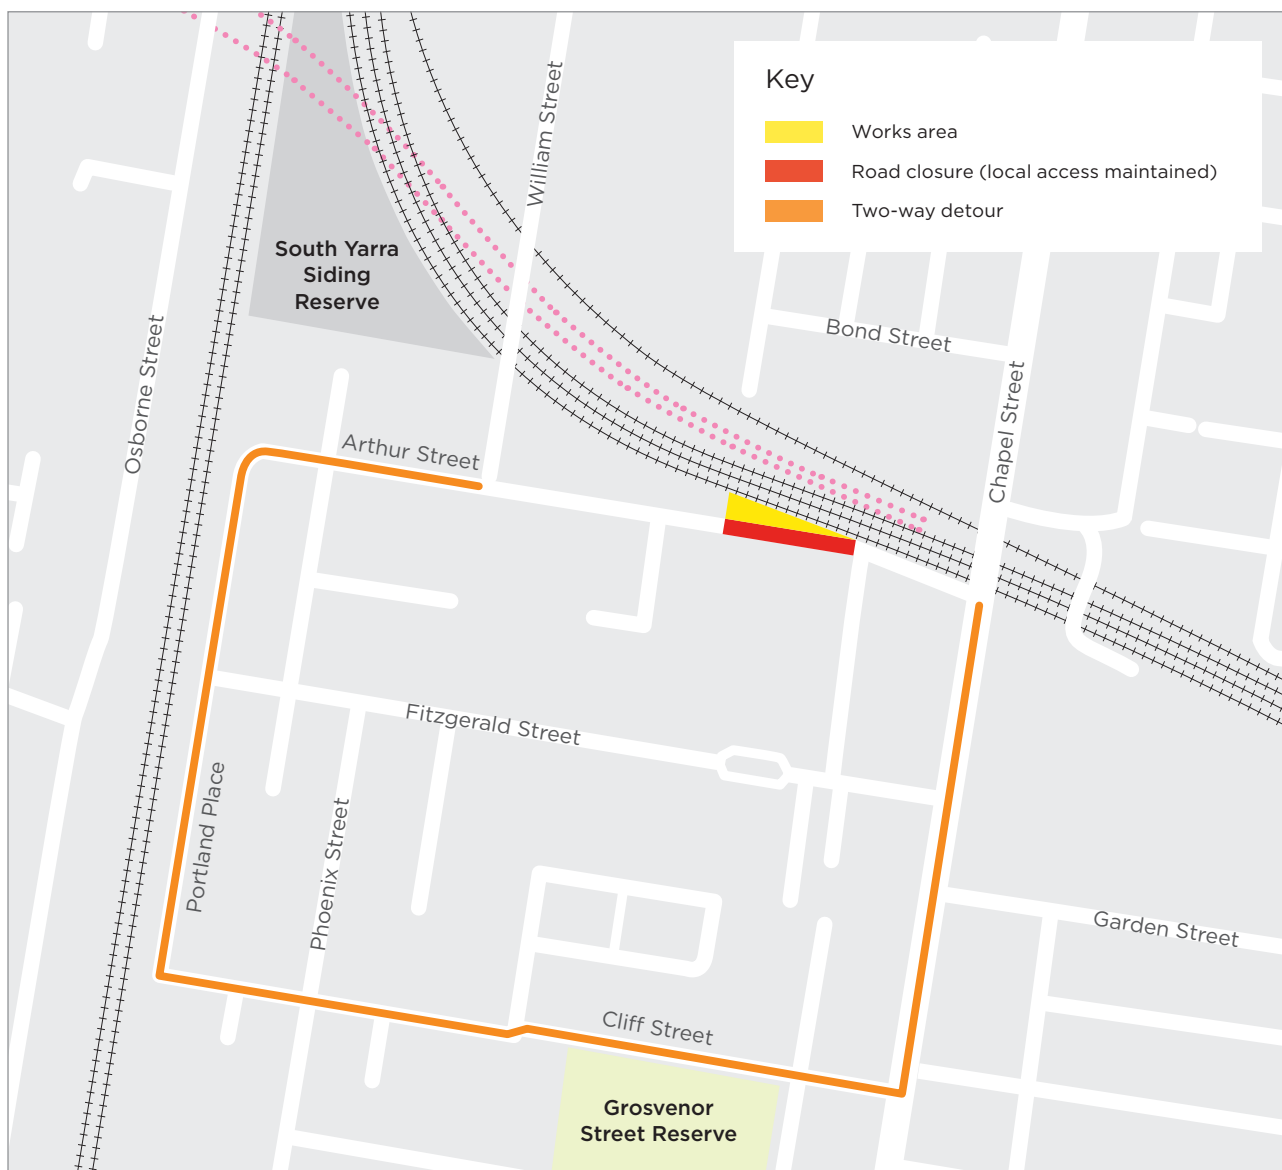

To minimise further night disruptions these Metro Tunnel Project works will be taking place at the same time that Metro Trains are performing their maintenance works.

Metro Trains works will be taking place in your area from **9pm Friday 1 December to 4am Monday 4 December**.

To learn more about the Metro Trains out of hours maintenance contact Metro Trains on 1800 800 007 or visit their website [metrotrains.com.au](http://metrotrains.com.au)

### What you should be aware of

- To facilitate these works, a section of Arthur Street will temporarily close during this time
- Local access to residents and businesses will be maintained at all times with the assistance of traffic controllers
- To safely complete these works generator-powered lighting towers may be used. Where possible, they will be directed away from residential properties
- These works are expected to generate medium levels of noise associated with the use of a crane and light tower generators
- For the safety of rail users and our workers, these activities can only be performed when trains are not running
- A detour will be in place for through traffic via Chapel Street, Cliff Street, Portland Place and Arthur Street
- Further information on these works can be found at [metrotunnel.vic.gov.au](http://metrotunnel.vic.gov.au).
