JANUARY 2024

Road closure westbound of Somerville Road, between Whitehall Street and Hyde Street

When we'll be working

We'll be working 24/7 from **9pm, Wednesday 7 February to 5am, Saturday 24 February, including weekends.**

Westbound travel on Somerville Road (between Whitehall Street and Hyde Street) will be closed.

What we'll be doing

Now we have finished tunnelling, we need to reconstruct a manhole as part of the North Yarra Main Sewer realignment.

The West Gate Tunnel Project team will be set up at the junction of Whitehall Street and Somerville Road, where the manhole is located.

To complete these works, westbound travel on Somerville Road between Whitehall Street and Hyde Street will not be permitted, 24/7 from 9pm, Wednesday 7 February to 5am, Saturday 24 February, including weekends.

Detours for the closure are highlighted within the map overleaf.

The closure includes an overnight set up and pack up period where there will be further restrictions on vehicle travel to ensure safety of the team whilst preparing the site for works.

Existing heavy vehicle regulations and truck bans will still apply during these works.
