

# Works Notification

JULY 2024

## North Yarra Main Sewer realignment and permanent access hole construction

### When we'll be working

We'll be working 24/7 from **9pm Tuesday 16 July to 5am Sunday 11 August, including weekends.**

### What we'll be doing

The North Yarra Main Sewer was diverted as part of construction of the project's outbound tunnel, as TBM Bella made its way through the old North Yarra Main Sewer alignment.

With tunnelling complete, we are now working to construct a new permanent access hole and sewer connection, as part of the North Yarra Main Sewer realignment.

The worksite will be located at the corner of Whitehall Street and Somerville Road, where the maintenance access point is located.

To complete these works, Somerville Road westbound between Whitehall Street and Hyde Street will be closed, 24/7 from 9pm Tuesday 16 July to Sunday 11 August, including weekends.

Detours for the closure are highlighted in the map overleaf.

Whitehall Street northbound will also need to be closed overnight between Hall Street and Somerville Road in mid-July for set up, and mid-August for pack down.

**Existing heavy vehicle regulations and truck bans will still apply during these works.**

### What to expect

Somerville Road westbound between Whitehall and Hyde streets will be fully closed from 9pm Tuesday 16 July to 5am Sunday 11 August.

The right turn from Somerville Road eastbound to Whitehall Street southbound will be fully closed.

Two lanes along Whitehall Street northbound at the intersection with Somerville Road will be closed 24/7 during this time.

#### Overnight closures for site set up and pack up:

Whitehall Street northbound between Hall Street and Somerville Road will be fully closed overnight from:

- 9pm Tuesday 16 July to 5am Wednesday 17 July; and
- 9pm Saturday 10 August to 5am Sunday 11 August.

#### Cyclists and pedestrians:

- These works require the closure of the western pedestrian crossing on Somerville Road.
- Pedestrian access will be maintained across Somerville Road on the eastern side of Whitehall Street.
- The westbound on-road cycle lane on Somerville Road will be closed from Whitehall Street to Hyde Street.
- The footpaths on Somerville Road will remain open.
- Please see map overleaf for further details.

### More information

We appreciate our work can be disruptive and thank you for your understanding. Works may be rescheduled in the event of unexpected impacts.

If you have any questions or would like more information about the project, call us on **1800 105 105**, 24 hours a day.
