

# Heatherton and Clarinda works update

## October

Works are underway in Heatherton and Clarinda to deliver Suburban Rail Loop (SRL) East for Melbourne and Victoria.

We are building a Stabling Facility in Heatherton and preparing to launch Tunnel Boring Machines (TBMs) from Clarinda. Upcoming works at these sites are summarised below:

### Stabling Facility in Heatherton

- Building the Eastern Tunnel Entrance (ETE) and Western Tunnel Entrance (WTE)
- Building a permanent Network Support Facility (NSF) for construction and operational power
- Moving underground and above ground services
- Building a heavy vehicle access point into the Stabling Facility from Kingston Road.

### Clarinda

- Site investigations and building a temporary power supply facility for the TBMs.

### What we are doing

-  **Day works** 7am – 6pm Monday to Friday and 7am - 1pm Saturday
-  **Night works** 6pm – 7am Monday to Friday
-  **Extended works** 6pm – 10pm Monday to Friday, 1pm - 5pm Saturday and Sunday  
24-hour works from late-October.

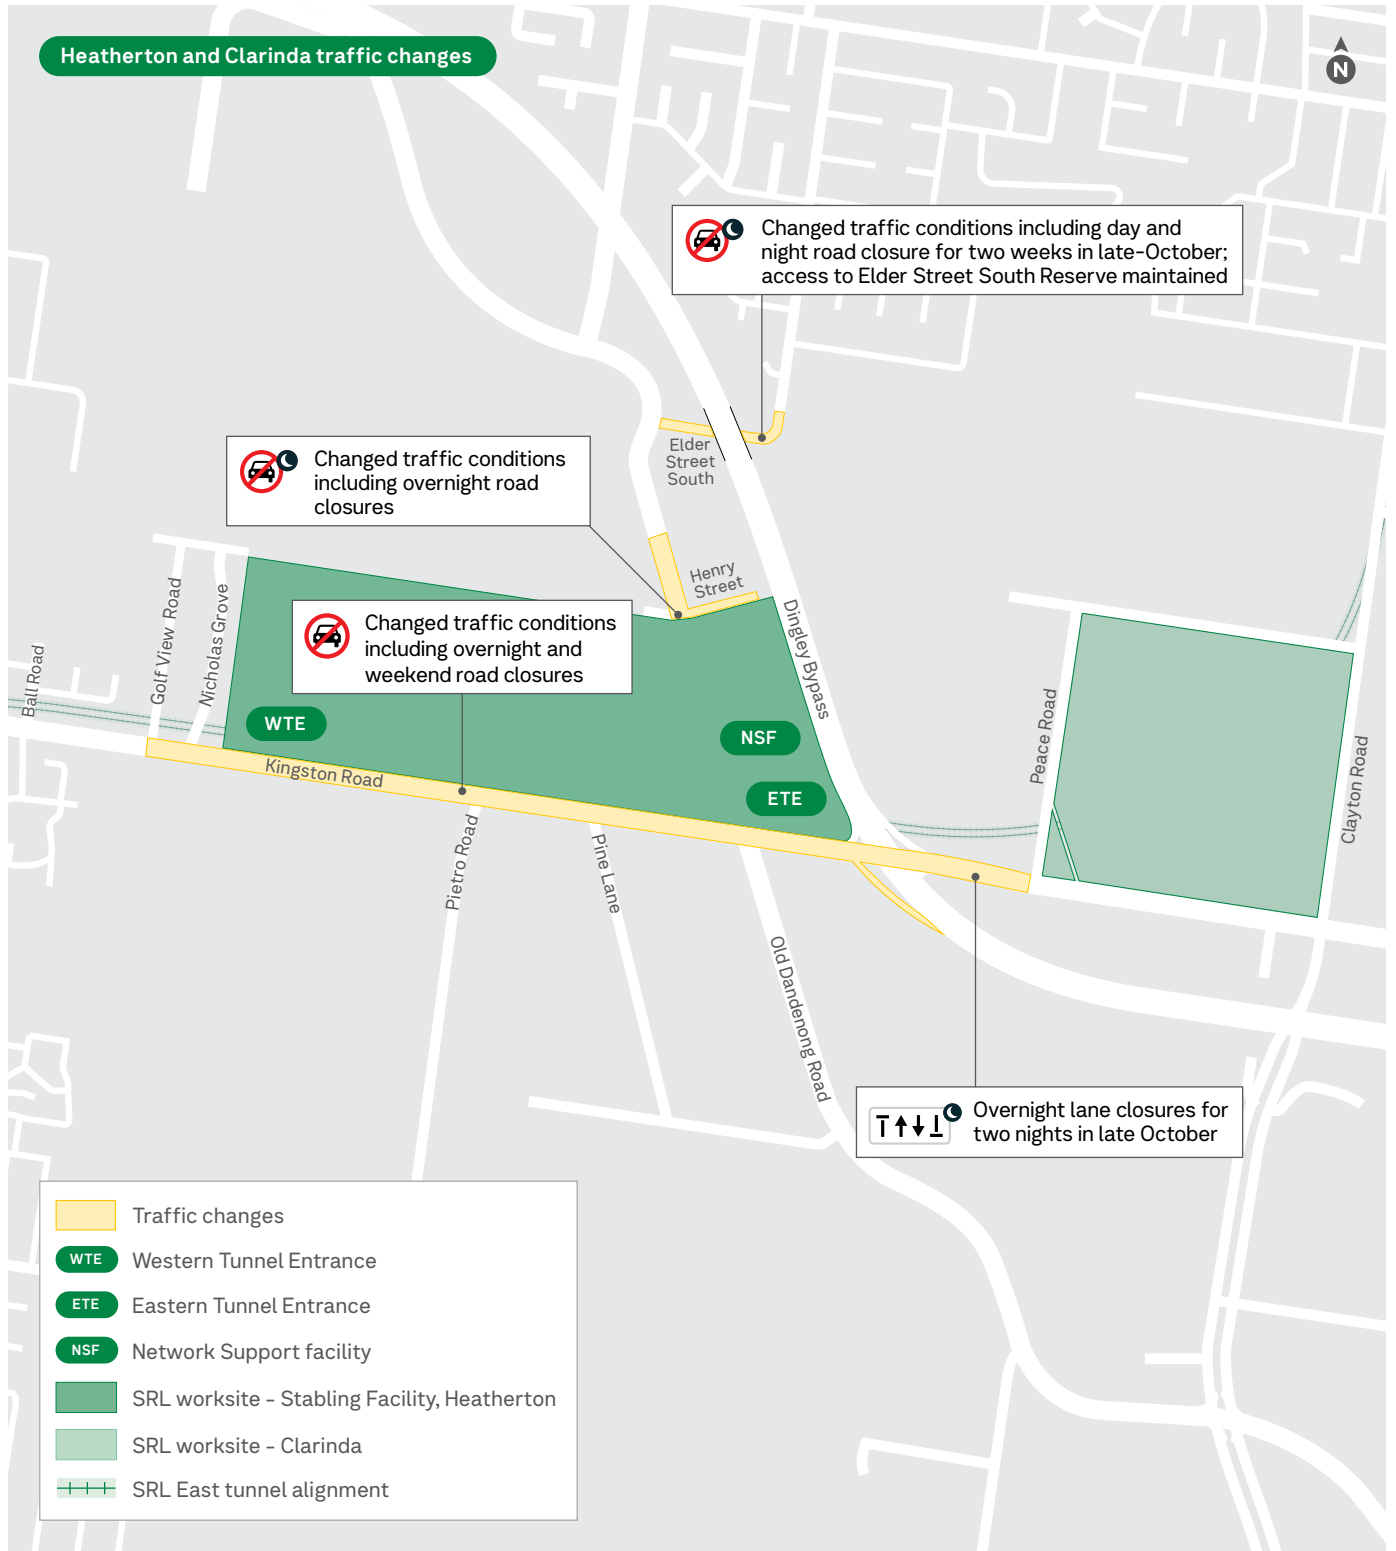

Where	When	What we are doing	What to expect
Stabling Facility in Heatherton	   Ongoing to late-December 2024	<ul style="list-style-type: none"> <li>– Building the ETE</li> <li>– Building the NSF</li> <li>– Site establishment</li> <li>– Moving services</li> <li>– Demolition</li> <li>– Site investigations</li> <li>– Building an access road in the Dingley Bypass Road Reserve</li> <li>– Preparing to build the WTE including earthworks, clearing trees and vegetation and safely removing hazardous materials</li> <li>– Traffic barrier install and removal</li> </ul>	<ul style="list-style-type: none"> <li>– Moderate levels of noise, dust and vibration</li> </ul> <p><b>Changed traffic conditions</b></p> <ul style="list-style-type: none"> <li>– There will be changed traffic conditions, including lane and road closures in October on Elder Street South, Henry Street and Old Dandenong Road</li> <li>– There will be changed traffic conditions, including lane and road closures, from late-October to late-December on Kingston Road</li> <li>– No works impacting Kingston Road will occur during the Australian Open Golf period.</li> <li>– Access to homes and businesses will be maintained</li> <li>– Drivers are advised to follow local traffic signage and allow extra travel time</li> <li>– Sign up for works reminders via SMS text to get traffic updates</li> </ul> <p><b>Changes to local bus services</b></p> <ul style="list-style-type: none"> <li>– Weekday impacts to bus route 631 between Nicholas Grove and Pine Lane until late-December</li> <li>– Night and weekend impacts to bus route 631 between Dingley Bypass and Warrigal Road until late-December</li> <li>– Visit <a href="http://ptv.vic.gov.au">ptv.vic.gov.au</a> to plan your journey</li> </ul>

Where	When	What we are doing	What to expect

# Heatherton and Clarinda traffic changes

- Traffic changes
- WTE Western Tunnel Entrance
- ETE Eastern Tunnel Entrance
- NSF Network Support facility
- SRL worksite - Stabling Facility, Heatherton
- SRL worksite - Clarinda
- SRL East tunnel alignment

## Impacts

As with all major infrastructure projects, surrounding communities may experience some impacts during construction. The Project supports businesses and residents to continue to live, work, study and shop in their community.

Please contact us on **1800 105 105** to discuss support available if you are impacted by our works.

## How we will manage our works

We will minimise impacts to the community by:

- Transporting materials from site in covered trucks to minimise dust
- Safely removing hazardous materials in accordance with EPA regulations
- Scheduling works to reduce impacts
- Maintaining access to homes and businesses
- Monitoring noise, dust and vibration levels
- Minimising light spill
- Turning off equipment when not in use
- Using noise blankets on equipment
- Using water and dust suppressants.

Thank you for your patience and cooperation as we progress the delivery of SRL East at Heatherton and Clarinda.

To receive SRL East works reminders via SMS text **HEATHERTON** to **0429 469 592**
