

DONNYBROOK ROAD UPGRADES

JUNE 2025

Planning is progressing for the upgrade of Donnybrook Road between Mickleham Road, Mickleham and Epping Road, Woodstock.

Overview

We're upgrading the Donnybrook Road and Mitchell Street intersection to reduce travel times, improve safety and cater for population growth.

Planning is also progressing for the upgrade of Donnybrook Road between Mickleham Road and Epping Road.

Donnybrook Road and Mitchell Street Intersection Upgrade

The upgrade will:

- replace the existing roundabout with traffic lights
- build a new bridge over Kalkallo Creek
- add extra lanes at the intersection
- install safety barriers.

Planning update

Planning work is progressing as the upgrade moves towards construction.

Key activities will include:

- detailed traffic analysis and modelling, to better understand the future growth of the area and the demand this will place on the road network
- on-site investigations to test ground conditions
- environmental investigations to understand flora, fauna and tree species
- investigations to map utility services above and below the ground
- developing a detailed project design for construction.

Construction timelines will be known once our planning has progressed further.

Australian Government
BUILDING AUSTRALIA

In our planning we're seeking solutions to:

Reduce travel times

Provide more reliable travel journeys

Improve safety

Cater for population growth and increased vehicle movements

Improve pedestrian and cycling connections

Donnybrook Road Upgrade

We're progressing planning for the upgrade of Donnybrook Road between Mickleham Road and Epping Road.

Options being explored include:

- adding more road lanes
- upgrading intersections
- upgrading the Hume Freeway Interchange
- removing the Donnybrook Road level crossing
- building new walking and cycling paths.

Planning work includes traffic modelling, engineering designs, constructibility assessments, economic modelling, and environmental investigations.

Our work is building on previous work undertaken by Transport Victoria.

This project is currently in the planning phase and will be used to inform government decisions on funding for future upgrades along Donnybrook Road.

Planning timeline

2024

Planning work commenced

23 June to 13 July 2025

Community engagement

Late 2025

Initial planning work expected to be complete
