## Collins Street southern footpath closure

### Collins Street

Early-February to early-March 2025

As we prepare to return a revitalised City Square to the community, above ground works are well underway including reinstatement of the Collins Street southern footpath. To safely complete these works, a month-long footpath closure is required adjacent to the site.

#### When we'll be working

- From **early-February to early-March 2025**, we'll be working **24-hours a day, Monday to Saturday**.

The timing of work may change depending on weather.

#### What we'll be doing

- Completing sewerage connections
- Installing new station signage and lighting, kerbing, pavement and bike hoops
- Removing the concrete pump and temporary hoarding
- Constructing the stairs which will lead passengers to the Town Hall Station entrance at City Square.

#### Where

- Collins Street between Swanston Street and Regent Place.

We appreciate your patience while we undertake these works. If you have any questions or concerns, please contact the Metro Tunnel Project information line on **1800 105 105**.

Further information on Town Hall Station works can be found at [metrotunnel.vic.gov.au](http://metrotunnel.vic.gov.au)

#### What to be aware of

- The Collins Street southern footpath, adjacent to the City Square site, will be closed to pedestrians. Please refer to the map below for location
- Pedestrians will be required to use the northern side of Collins Street to travel through the area
- Access to businesses, residential buildings and hotels will be maintained at all times
- These works will generate some periods of medium to high level noise and some vibration.
