24 MARCH - MID-APRIL 2025

## Signage installation nightworks

### Railway Place, Dryburgh, Victoria and Spencer streets

From **Monday 24 March 2024 until mid-April, 9pm to 5am**, we'll be undertaking nightworks installing street signage on Dryburgh, Victoria and Spencer streets. While we endeavour to undertake work during normal construction hours, these works are required to occur at night during low traffic conditions.

#### When we'll be working

We'll be working between **24 March and mid-April 2025, 9pm to 5am**

#### What we'll be doing

These works will include:

- Construction activity and noise at night
- Traffic controllers and traffic signage installation
- Temporary lane closures on Railway Place, Spencer, Dryburgh and Victoria streets
- Non-destructive digging, trucks, generators, concrete pouring, coring plant and machinery in use
- Installation of signage with handtools in use

We appreciate our work may be disruptive. Thank you for your ongoing patience and understanding.

This work is subject to approvals and may change due to site and weather conditions.

#### Changes to the way you travel

- From **Monday 24 March to mid-April**, there will be overnight lane closures on Spencer, Dryburgh and Victoria streets
- Traffic management including signs to guide pedestrians and traffic will be in place as needed
- Lighting towers will be in use to ensure safety
- During this time, access to properties will be maintained
- Further detour information including maps for cyclists and pedestrians is available by visiting [bigbuild.vic.gov.au/disruptions](https://bigbuild.vic.gov.au/disruptions).

#### Noise

Construction activity, including noise and vibration is to be expected during these works. Depending on the type of works and if works are expected to create extra noise, the West Gate Tunnel Project team will be in contact with residents directly.
