

Works notice

Tie-station building delivery and installation

Hobsons Road, Kensington

Tuesday 8 July 2025 to Thursday 31 July 2025

As part of the Metro Tunnel Project, construction of a tie-station is continuing at the Hobsons Road site in Kensington. This notice provides more information about the upcoming delivery and installation of the prefabricated tie-station building.

When we'll be working

- The building will be delivered from **12am to 5pm** on **Tuesday 8 July 2025**.
- The installation of the building and related steel works will continue during the day, **Tuesday 8 July to Thursday 31 July 2025**.
- Working hours are **Monday to Friday, 7am-6pm** and **Saturday, 7am-1pm**.

Please note works may be rescheduled due to inclement weather.

What we'll be doing

- The tie-station building will be delivered in three sections to the Hobsons Road site
- The oversized vehicles carrying the building will be accompanied by three pilot vehicles
- A large crane will lift each section, one piece at a time, onto a steel platform where they will be secured in place using hand tools. This process is expected to take place over several days and will be subject to weather conditions.
- Once the tie-station building is secured, steel will continue to be installed around the building. This is expected to continue until the end of July 2025.

What to be aware of

- The delivery of the building is expected to generate low levels of noise with intermittent medium levels
- Traffic management will assist with stop and holds of traffic on Hobsons Road during the delivery
- Generator-powered lighting towers will be required whilst we complete the nightworks. Where possible, lights will be positioned to face away from residential properties
- Up to 11 car parking spaces will be temporarily closed on Hobsons Road, opposite the entrance into site and next to the entrance, during the delivery of the tie-station building. These spaces will be closed from 5pm Monday 7 July until 5pm Tuesday 8 July 2025.
- There will be an increase in construction movements during these works around the Hobsons Road site via two entrances on Hobsons Road

Thank you for your patience while we undertake these works.
