

# Muir Street / Fogarty Avenue pedestrian overpass temporary closure

**Friday 29 March until Friday 12 April 2019**

To make way for the widening of the West Gate Freeway, we need to safely relocate some high voltage power lines onto newly installed slimmer poles, allowing the removal of two existing electricity towers adjacent to Fogarty Avenue.

During these works, we need to temporarily close the pedestrian overpass across the West Gate Freeway during the day while we work on the power cables overhead.

The overpass linking Muir Street and Fogarty Avenue will be closed daily from 5am - 8pm. It will be reopened each night from 8pm - 5am.

A diversion will be in place for pedestrians and cyclists, as well as a courtesy bus for both the community and Wembley Primary School students and guardians. Individual transport options will be also available for those with mobility impairment.

### Courtesy bus timetable:

A bus will be provided to help Wembley Primary School students and guardians, and the community move safely between the north and south side of the West Gate Freeway during the works.

Bus travel times are expected to take about 30 minutes from departure to return. Please allow extra travel time and take extra care when dropping off and picking up at The Avenue near Muir Street.

Staff from the West Gate Tunnel Project team will be on-board the bus services during peak school times. There will also be detour signage and traffic management in place for pedestrians and cyclists. Please refer to the map for further details.

**Please note that works may be rescheduled in the event of bad weather or other unavoidable circumstances.**

For updates and more information about our works please visit [westgatetunnelproject.vic.gov.au](http://westgatetunnelproject.vic.gov.au) or contact us.

Both buses are return services stopping at:

- The Avenue near Muir Street
- Wembley Avenue bus stop
- Wembley Primary School

The project would like to thank the community for their patience during these vital works.
