

YOUR NEW BONBEACH PRECINCT

Parking and pedestrian crossing changes

We're removing 18 level crossings and building 12 new stations as part of a \$3 billion upgrade of the Frankston line.

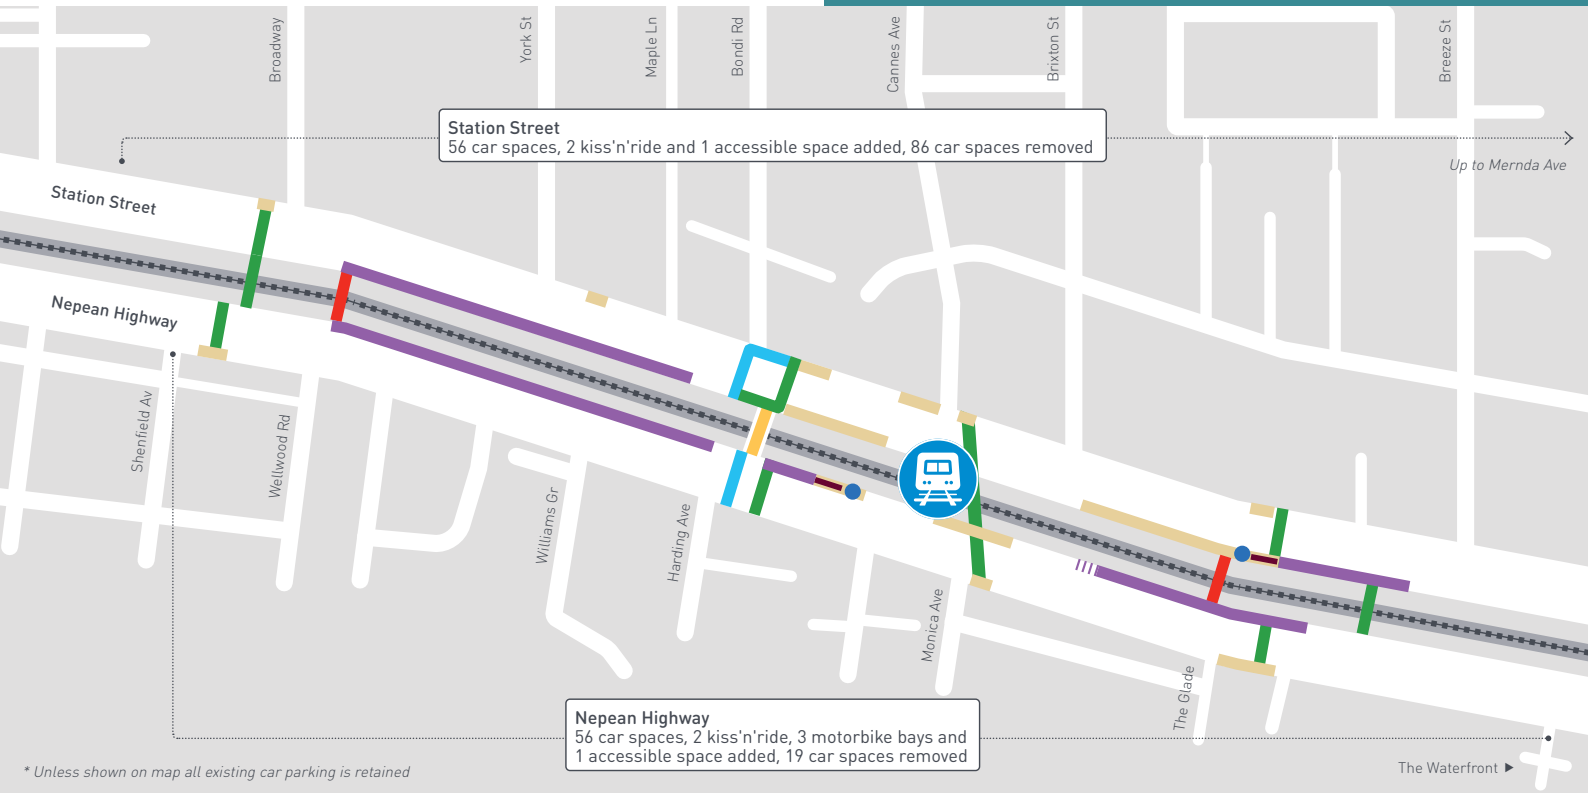

From Edithvale to Bonbeach we're removing five dangerous level crossings, building three new stations, fixing local road networks and upgrading dangerous intersections.

As part of these works in Bonbeach, there will be changes to parking and pedestrian crossings along Station Street and the Nepean Highway.

To make room for the upgraded Bondi Road intersection and new Bonbeach Station, we will relocate parking spaces north along Station Street towards Broadway and along Nepean Highway towards Wellwood Road.

New pedestrian crossings over Station Street and the Nepean Highway will be added at Broadway, Bondi Road, Cannes Avenue and near The Glade.
