# Maribyrnong River Partial Closure

We are starting to build the new bridges over Maribyrnong River. These bridges will support the main carriageway and the entry and exit ramps from Mackenzie Road to the West Gate Tunnel.

## What to expect and when:

As part of construction of the new bridges, we will need to close part of the Maribyrnong River south of Shepherd Bridge during the day.

	Impact	Date
	<p>Partial River Closure (western side).</p> <p><i>The river will be accessible via the eastern side throughout the partial closure.</i></p>	7.00am 26 April to 5.00pm 31 May

If the weather is poor, or there are any unexpected events, we may need to reschedule these works.
