Maribyrnong Street – Girder laydown area and bridge building works

Works will commence along Maribyrnong Street for the construction of new bridges over the Maribyrnong River. The bridges will connect the new West Gate Tunnels and the elevated road above Footscray Road and provide direct access to the Port at Mackenzie Road.

What to expect and when

From Monday 22 August 2022, preparatory works will begin north of Parker Street, along Maribyrnong Street to allow for the arrival of the steel girders that will be used to build the new bridges. From late August to 30 November 2022, once the site has been prepared, the steel girders will be transported to the site, prepared for lifting and then lifted and placed into their final position above the Maribyrnong River.

This will require intermittent closures of this section of Maribyrnong Street for this period, see below for further information.

	Impact	Date
	<p>Car park spaces</p> <p>We expect to occupy approximately 55 car park spaces along Maribyrnong Street.</p> <p>Access to the car parks on Maribyrnong Street south of Parker Street will be via Moreland and Napier streets and egress via Bunbury and Whitehall streets.</p> <p>Please note that our construction workers will park within our worksites to help keep as many car park spaces open as possible.</p>	<p>22 August 2022 – 30 November 2022</p> <p><i>Car parks in this area will remain closed for the duration of these works</i></p>
