What you can expect:

- Increased construction activity and vehicles in the area.
- Water-spray trucks and road sweepers used in the local streets around our worksites.
- Works may be rescheduled and dates are subject to change.
- Other works continuing include freeway verge works until July 2023, shared use path works, overhead freeway gantry signage works, footpath. Noise wall installation and freeway technology system works will also continue and will include some night works.
- So we can continue ongoing works on the construction of the new Hyde Street ramps, there will be ongoing overnight closures of the Williamstown Road inbound entry ramp

Thank you

- We appreciate your patience as we continue to construct the West Gate Tunnel Project.
