1 Introduction and Background

The Mordialloc Bypass Project (the Project) is a nine-kilometre freeway linking Dingley Bypass in the north and the Mornington Peninsula Freeway in the south. The project is a four-lane freeway passing through the suburbs of Clayton South, Dingley Village, Braeside, Waterways, Aspendale Gardens, Chelsea Heights and Bangholme (**Appendix A**).

On 30 January 2018, a decision made under s.75 of the *Environment Protection and Biodiversity Conservation Act 1999* (Cth) (EPBC Act) that the Project was a 'controlled action' requiring assessment and approval. A decision was made on 27 August 2019 to approve the Project (the action) with conditions as set out in Annexure A of the approval (listed in **Appendix B**).

Condition 7 of the *Part B – Standard Administrative Conditions* requires that an annual compliance report be published on the Major Road Project Victoria (MRPV) website.

This is the third compliance report to be prepared for the Mordialloc Freeway and relates to the period 28 October 2021 to 28 October 2022 or year three of the action.

A Design and Construction (D&C) Contract was awarded to McConnell Dowell Constructors (Aust) Pty Ltd & Decmil Southern Pty Ltd on the 1 October 2019. The Department was advised in a letter dated 30 October 2019 that construction commenced on 28 October 2019.

The Project reached Practical Completion on 21 November 2021. Pursuant to Condition 13 under Part B, the Department was notified of the completion of construction activities on the Project via email on 7 December 2021.

Pursuant to Condition 7(a) of the approval MRPV are required to publish each compliance report on the website within 60 business days following the relevant 12 month period up to the year 2040.

In accordance with Condition 7(b) the Department will be notified by email that the compliance report has been published on MRPV's website within 5 days of publication.

Detailed information on the project, Environmental Management Framework, Environmental Performance Requirements, and Independent Environmental Reviewer and Auditor audit reports and can be found on the project website at: <https://bigbuild.vic.gov.au/projects/mrpv/mordialloc-freeway/design/environment>.

Conditions of approval

This approval is subject to the conditions under the EPBC Act as set out in ANNEXURE A.

ANNEXURE A – CONDITIONS OF APPROVAL

Part A – Conditions specific to the action

1. To minimise the impacts of the action on the **Edithvale-Seaford Wetlands, Fairy Tern, Eastern Curlew, Curlew Sandpiper, Australasian Bittern, Australian Painted Snipe, Sharp-tailed Sandpiper, Latham's Snipe, Natural Damp Grassland of the Victorian Coastal Plain and Seasonal Herbaceous Wetland (freshwater) of the Temperate Lowland Plain**, the approval holder must comply with the *Mordialloc Bypass (Freeway) Incorporated Document July 2019*, incorporated into the Kingston and Greater Dandenong Planning Schemes, as in force or existing from time to time.
2. The approval holder must not **impact** more than:
 - 0.04 ha of **Natural Damp Grassland of the Victorian Coastal Plains**.
 - 0.24 ha of **Seasonal Herbaceous Wetland (freshwater) of the Temperate Lowland Plains**.

Part B – Standard administrative conditions

Notification of date of commencement of the action

3. The approval holder must notify the **Department** in writing of the date of **commencement of the action** within 10 **business days** after the date of **commencement of the action**.

Compliance records

4. The approval holder must maintain accurate and complete **compliance records**.
5. If the **Department** makes a request in writing, the approval holder must provide electronic copies of **compliance records** to the **Department** within the timeframe specified in the request.

Note: **Compliance records** may be subject to audit by the **Department** or an independent auditor in accordance with section 458 of the **EPBC Act**, and or used to verify compliance with the conditions. Summaries of the result of an audit may be published on the **Department's** website or through the general media.

Monitoring data

6. The approval holder must ensure that any **monitoring data** (including **sensitive ecological data**), surveys, maps, and other spatial and metadata required under conditions of this approval, is prepared in accordance with the **Department's Guidelines for biological survey and mapped data** (2018).

Annual compliance reporting

7. The approval holder must prepare a **compliance report** for each 12 month period following the date of **commencement of the action**, or otherwise in accordance with an annual date that has been agreed to in writing by the **Minister**. The approval holder must:
 - a. publish each **compliance report** on the **website** within 60 **business days** following the relevant 12 month period;
 - b. notify the **Department** by email that a **compliance report** has been published on the **website** and provide the weblink for the **compliance report** within five **business days** of the date of publication;
 - c. keep all **compliance reports** publicly available on the **website** until this approval expires;
 - d. exclude or redact **sensitive ecological data** from **compliance reports** published on the **website**; and
 - e. where any **sensitive ecological data** has been excluded from the version published, submit the full **compliance report** to the **Department** within 5 **business days** of publication.

Note: **Compliance reports** may be published on the **Department's** website.

Reporting non-compliance

8. The approval holder must notify the **Department** in writing of any: **incident**; non-compliance with the conditions; or non-compliance with the commitments made in **plans**. The notification must be given as soon as practicable, and no later than two **business days** after becoming aware of the **incident** or non-compliance. The notification must specify:
 - a. any condition which is or may be in breach; and
 - b. a short description of the **incident** and/or non-compliance.
9. The approval holder must provide to the **Department** the details of any **incident** or non-compliance with the conditions or commitments made in **plans** as soon as practicable and no later than 10 **business days** after becoming aware of the **incident** or non-compliance, specifying:
 - a. any corrective action or investigation which the approval holder has already taken or intends to take in the immediate future;
 - b. the potential impacts of the **incident** or non-compliance; and
 - c. the method and timing of any remedial action that will be undertaken by the approval holder.

Independent audit

10. The approval holder must ensure that **independent audits** of compliance with the conditions are conducted as requested in writing by the **Minister**.
11. For each **independent audit**, the approval holder must:
 - a. provide the name and qualifications of the independent auditor and the draft audit criteria to the **Department**;
 - b. only commence the **independent audit** once the audit criteria have been approved in writing by the **Department**; and
 - c. submit an audit report to the **Department** within the timeframe specified in the approved audit criteria.
12. The approval holder must publish the audit report on the **website** within 10 **business days** of receiving the **Department's** approval of the audit report and keep the audit report published on the **website** until the end date of this approval.

Completion of the action

13. Within 30 days after the **completion of the action**, the approval holder must notify the **Department** in writing and provide **completion data**.

Part C - Definitions

In these conditions, except where contrary intention is expressed, the following definitions are used:

Australasian Bittern means the **EPBC Act** listed threatened species *Botaurus poiciloptilus*.

Australian Painted Snipe means the **EPBC Act** listed threatened species *Rostratula australis*.

Business day means a day that is not a Saturday, a Sunday or a public holiday in the state or territory of the action.

Commencement of the action means the first instance of any specified activity associated with the action including clearance of vegetation and construction of any infrastructure. Commencement does not include minor physical disturbance necessary to:

- i. undertake pre-clearance surveys or monitoring programs;
- ii. install signage and /or temporary fencing to prevent unapproved use of the project area;

- iii. protect environmental and property assets from fire, weeds and pests, including construction of fencing, and maintenance of existing surface access tracks;
- iv. install temporary site facilities for persons undertaking pre-commencement activities so long as these are located where they have no impact on the **protected matters**; and

Completion data means an environmental report and spatial data information clearly detailing how the conditions of this approval have been met. The **Department's** preferred spatial data format is **shapefile**.

Completion of the action means all specified activities associated with the action have permanently ceased.

Compliance records means all documentation or other material in whatever form required to demonstrate compliance with the conditions of approval in the approval holder's possession or that are within the approval holder's power to obtain lawfully.

Compliance reports means written reports:

- i. providing accurate and complete details of compliance, **incidents**, and non-compliance with the conditions and the **plans**;
- ii. consistent with the **Department's Annual Compliance Report Guidelines** (2014);
- iii. include a **shapefile** of any clearance of any **protected matters**, or their habitat, undertaken within the relevant 12 month period; and
- iv. annexing a schedule of all **plans** prepared and in existence in relation to the conditions during the relevant 12 month period.

Curlew Sandpiper means the **EPBC Act** listed threatened and migratory species *Calidris ferruginea*.

Department means the Australian Government agency responsible for administering the **EPBC Act**.

Eastern Curlew means the **EPBC Act** listed threatened and migratory species *Numenius madagascariensis*.

Edithvale-Seaford Wetlands means the declared Ramsar wetland of the same name.

EPBC Act means the *Environment Protection and Biodiversity Conservation Act 1999* (Cth).

EPBC Regulations means the *Environment Protection and Biodiversity Conservation Regulations 2000* (Cth).

Fairy Tern means the **EPBC Act** listed threatened species *Sternula nereis nereis*.

Impact means to cause any measurable direct or indirect disturbance/change as a result of any activities associated with the approved action.

Incident means any event which has the potential to, or does, impact on one or more **protected matter(s)**.

Independent audit means an audit conducted by an independent and **suitably qualified person** as detailed in the *Environment Protection and Biodiversity Conservation Act 1999 Independent Audit and Audit Report Guidelines* (2015).

Latham's Snipe means the **EPBC Act** listed migratory species *Gallinago hardwickii*.

Monitoring data means the data required to be recorded under the conditions of this approval.

Minister means the Australian Government Minister administering the **EPBC Act** including any delegate thereof.

Natural Damp Grassland of the Victorian Coastal Plains means the **EPBC Act** listed threatened ecological community of the same name.

Plan(s) means any of the documents required to be prepared and/or implemented by the approval holder and published on the **website** in accordance with these conditions (includes action management plans and/or strategies).

Protected matter means a matter protected under a controlling provision in Part 3 of the **EPBC Act** for which this approval has effect.

Seasonal Herbaceous Wetland (freshwater) of the Temperate Lowland Plains means the **EPBC Act** listed threatened ecological community of the same name.

Sensitive ecological data means data as defined in the Australian Government Department of the Environment (2016) *Sensitive Ecological Data – Access and Management Policy V1.0*.

Shapefile means location and attribute information of the action provided in an Esri shapefile format. Shapefiles must contain '.shp', '.shx', '.dbf' files and a '.prj' file that specifies the projection/geographic coordinate system used. Shapefiles must also include an '.xml' metadata file that describes the shapefile for discovery and identification purposes.

Sharp-tailed Sandpiper means the **EPBC Act** listed migratory species *Calidris acuminata*.

Suitably qualified person means a person who has professional qualifications, training, skills and/or experience related to the nominated subject matter and can give authoritative independent assessment, advice and analysis on performance relative to the subject matter using the relevant protocols, standards, methods and/or literature.

Website means a set of related web pages located under a single domain name attributed to the approval holder and available to the public.
