Tram relocation

Box Hill | October and November 2023

We're relocating the existing 109 tram terminus to prepare for the SRL East Station in Box Hill.

Due to wet weather and emergency works, buses will continue to replace trams between Union Road, Surrey Hills and Box Hill Central **until Tuesday 31 October**.

There will be overnight closures of Whitehorse Road between Nelson Road and Station Street **in early November**.

The current parking and traffic set up will be in place **until Thursday 2 November**.

Thank you for your patience and cooperation as we progress the delivery of SRL East and new underground station at Box Hill.
