

Works notice

Overnight works to line mark St Kilda Road St Kilda Road between Albert Road and Park Street

6pm Tuesday 14 November to 6am Friday 17 November

Further to our overnight works to renew the surface at the Kings Way and Albert Road intersection, we will be line marking parts of the St Kilda Road northbound lane between Albert Road and Park Street. To minimise disruption these works will take place overnight.

What we are doing

- Line marking St Kilda Road between Albert Road and Park Street overnight, 6pm to 6am, between 6pm Tuesday 14 November and 6am Friday 17 November
- Keeping St Kilda Road open at all times while we work
- Works between Albert Road and Park Street include line marking, removing a redundant pole and doing intersection signal works
- Working from 6pm to 6am, Tuesday nights until Friday mornings.

What to be aware of

- Local access to driveways and deliveries to business will be maintained at all times under the assistance of traffic controllers
- These works are expected to generate periods of high levels of noise associated with removal of the existing pole
- The works take place over three nights, from 6pm to 6am Tuesday night to Friday morning.

When

- These works will take place overnight, 6pm to 6am, from 6pm Tuesday 14 November to 6am Friday 17 November
- Due to the nature of these works, progress may be impacted by weather conditions. Progress permitting, we may complete works ahead of schedule. We will let you know of any impacts to works and changes in times or dates.

Further information on these works can be found at metrotunnel.vic.gov.au

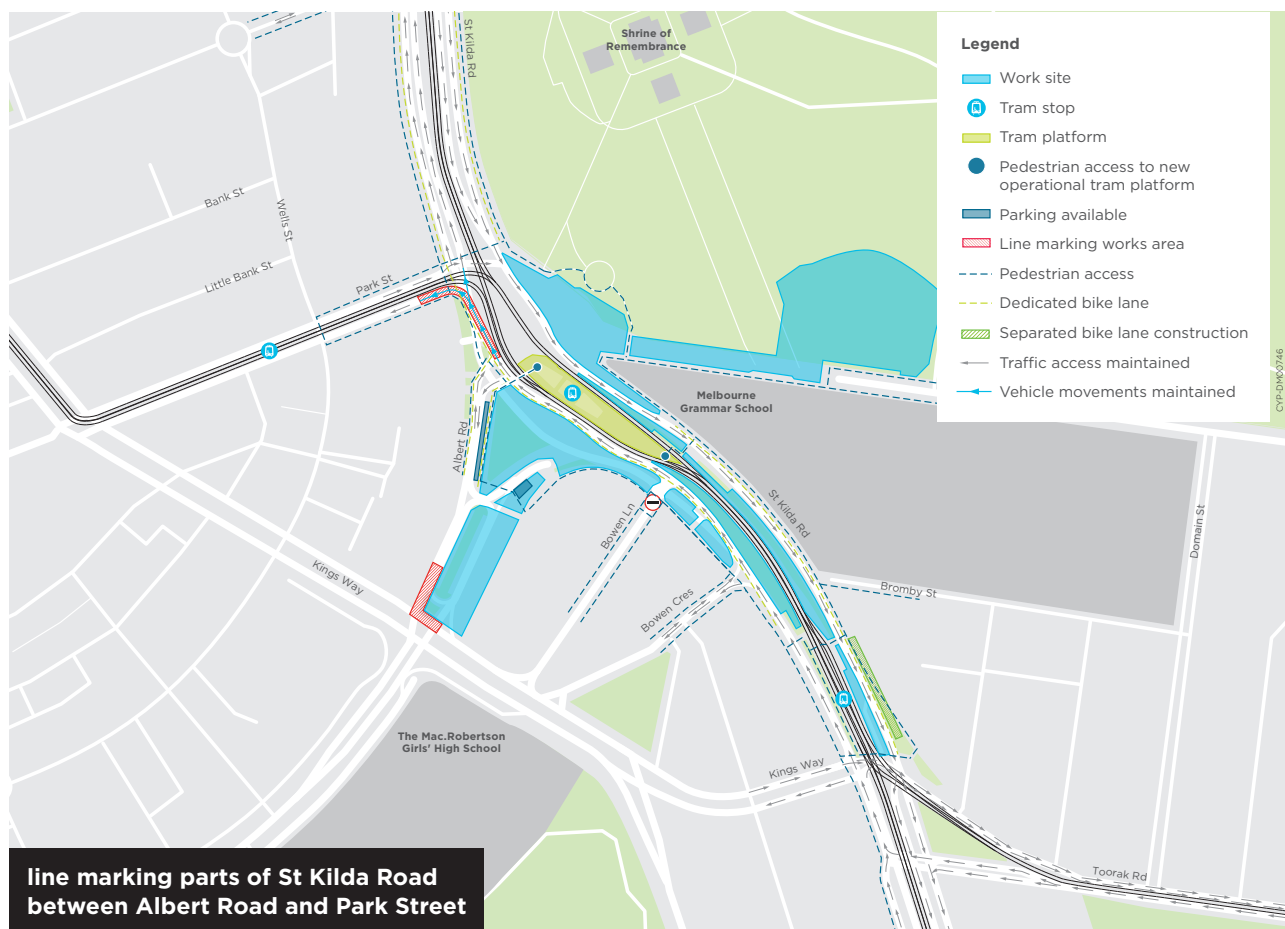

Resurfacing of key intersections in the area – St Kilda Road and Toorak Road intersection, late November to early December

As part of the finishing works for the Metro Tunnel Project we're also resurfacing the St Kilda Road and Toorak Road intersection from late November to early December 2023.

More information on these works will be provided closer to the date.
