

# Cheltenham works update

## Mid-January to March

Works are underway in Cheltenham to deliver Suburban Rail Loop (SRL) East for Melbourne and Victoria. We are preparing the site in Cheltenham for the construction of a new underground station.

### Upcoming works include:

- Site investigations to locate utilities
- Relocating water mains in and around Nepean Highway to clear the path for future tunnelling and underground station excavation
- Road modifications to maintain vehicle access to Nepean Highway Service Road during works.

### What we are doing

 **Day works** 7am – 6pm Monday to Friday and 7am – 1pm Saturday

 **Night works** 8pm – 6am Monday to Sunday

The following works will be carried out from mid-January.

## Impacts

As with all major infrastructure projects, surrounding communities may experience some impacts during construction. The Project supports businesses and residents to continue to live, work, study and shop in their community.

Please contact us on **1800 105 105** to discuss support available if you are impacted by our works.

## How we will manage our works

We will minimise impacts to the community by:

- Scheduling works to reduce impacts
- Installing road safety and detour signage
- Maintaining access to homes and businesses
- Monitoring noise, dust and vibration levels
- Turning off equipment when not in use
- Using noise blankets on equipment
- Using water and dust suppressants.

Thank you for your patience and cooperation as we progress the delivery of SRL East at Cheltenham.
