**Local traders remain open for business during works.**

## Impacts

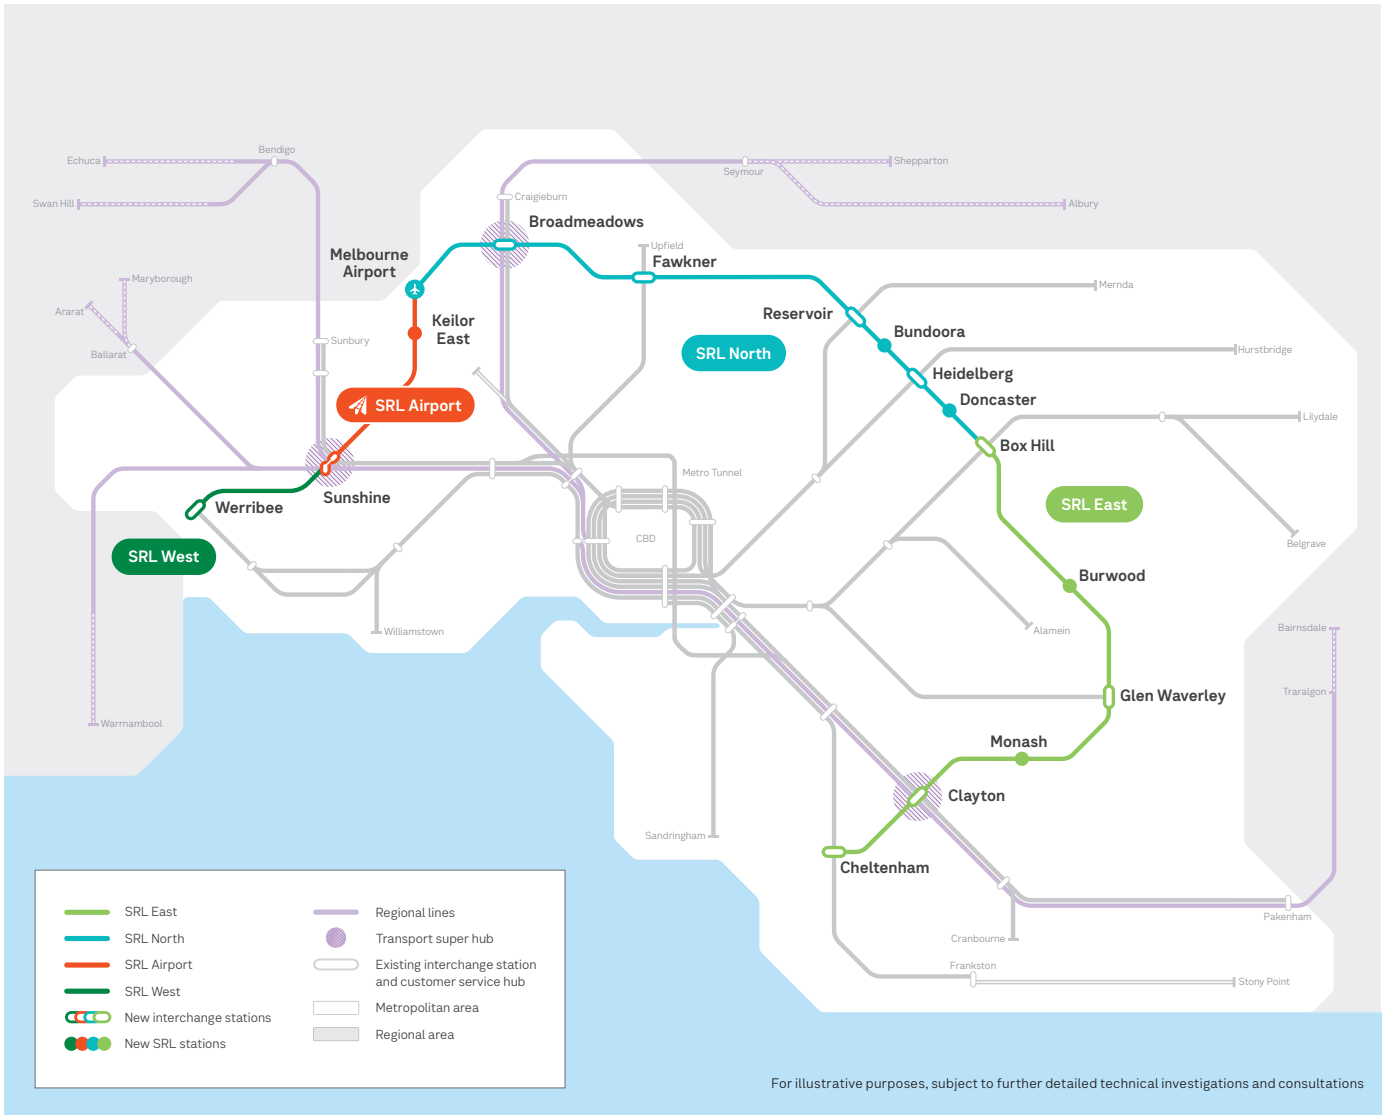

As with all major infrastructure projects, surrounding communities may experience some impacts during construction. The Project supports businesses and residents to continue to live, work, study and shop in their community.

Please contact us on **1800 105 105** to discuss support available if you are impacted by our works.

## How we will manage our works

- Covering trucks to minimise dust
- Monitoring noise, dust and vibration levels
- Using noise blankets and hoarding to minimise noise, dust and light spill
- Safely removing hazardous materials in accordance with regulations
- Using water and dust suppressants
- Maintaining access to homes and businesses.

Thank you for your patience and cooperation as we progress the delivery of SRL East at Heatherton and Clarinda.
