

Upcoming works on Lower Plenty Road

Works Notification
June 2025

Until July, we'll continue works to widen Lower Plenty Road between Borlase Street and Graham Road.

As part of North East Link, we'll be widening Lower Plenty Road, making it easier to access the future Greensborough Road Boulevard, reducing congestion and increasing safety for road users.

From **Thursday 19 June until early July** there will be reduced lanes on Lower Plenty Road at night, at times. Drysdale Street, Graham Road and Kambea Crescent will also be closed at Lower Plenty Road. Local access to homes will be maintained at all times, and traffic management and detours in place.
