

Cheltenham works update

October 2025

Works are underway in Cheltenham to deliver Suburban Rail Loop (SRL) East for Melbourne and Victoria. We are preparing the site in Cheltenham for the construction of a new underground station.

What we are doing

 **Day works** 7am – 6pm Monday to Friday and 7am – 1pm Saturday

 **Night works** 6pm – 7am Monday to Sunday

The following works will be carried out during October.

Where	When	What we are doing	What to expect
Sir William Fry Reserve southern car park, Highett	 Early October to late 2025	<ul style="list-style-type: none"> — Temporary worksite for site establishment 	<ul style="list-style-type: none"> — Pedestrian detours in place — Access to car park maintained — Moderate levels of noise — 10 car parks impacted for up to 3 days
Sir William Fry Reserve, Highett	 Early October to late 2025	<ul style="list-style-type: none"> — Site establishment — Vegetation removal — Demolishing service station — Safely removing hazardous materials if found — Installing fencing 	<ul style="list-style-type: none"> — Pedestrian access maintained — Workers in specialised protective clothing as we safely remove hazardous materials — Access to car repair centre maintained — Moderate levels of noise, vibration, light and dust
Nepean Highway, Highett	 Early October for up to two days	<ul style="list-style-type: none"> — Site establishment 	<ul style="list-style-type: none"> — Northbound single lane closure at the Bay Road and Nepean Highway intersection for up to two days

Note: Timing of works may change due to weather or ground conditions.

Impacts

As with all major infrastructure projects, surrounding communities may experience some impacts during construction. The Project supports businesses and residents to continue to live, work, study and shop in their community.

Please contact us on **1800 105 105** to discuss support available if you are impacted by our works.

Thank you for your patience and cooperation as we progress the delivery of SRL East at Cheltenham.

How we will manage our works

We will minimise the impacts to the community by:

- Covering trucks to minimise dust
- Monitoring noise, dust and vibration levels
- Using noise blankets and hoarding to minimise noise, dust and light spill
- Safely removing hazardous materials in accordance with regulations
- Using water and dust suppressants
- Maintaining access to homes and businesses.

The service station at the corner of Nepean Highway and Bay Road will be permanently closed from late September.
