West Gate Freeway verge works in Spotswood

From **early May 2022 until July 2023**, the West Gate Tunnel Project will carry out remaining works along freeway verges to reinstate roads and footpaths at the ends of local streets between The Avenue and Melbourne Road.

What you need to know

	Impact	Dates <i>(subject to change)</i>
	Periodic closures of local roads and reduced availability of on-street parking (see affected streets below and on page 2).	Early May 2022 until July 2023
	West Gate Tunnel Project works along freeway verges. Construction noise, dust, truck movements on local roads and increased construction activity along freeway verges and at end of local streets.	Early May 2022 until July 2023
	Temporary driveway access restrictions for households at the freeway end of above-named streets. <i>The project team will contact impacted households directly.</i>	Early May 2022 until July 2023

Works will include landscaping, maintenance track and footpath construction, drainage, kerbing, barrier installation, road re-surfacing, asphaltting, freeway technology system works, rectification works, fencing, noise wall installation, removal of temporary noise walls, demolition works and other minor works.

We will need to close the freeway end of the following streets for short periods to complete these works:

Strong Street, Abbott Street, Steel Street, Ferguson Street, Muir Street, Andrews Street, Derham Street, Hick Street, Vernier Street, Le Fevre Street and Cullen Court.

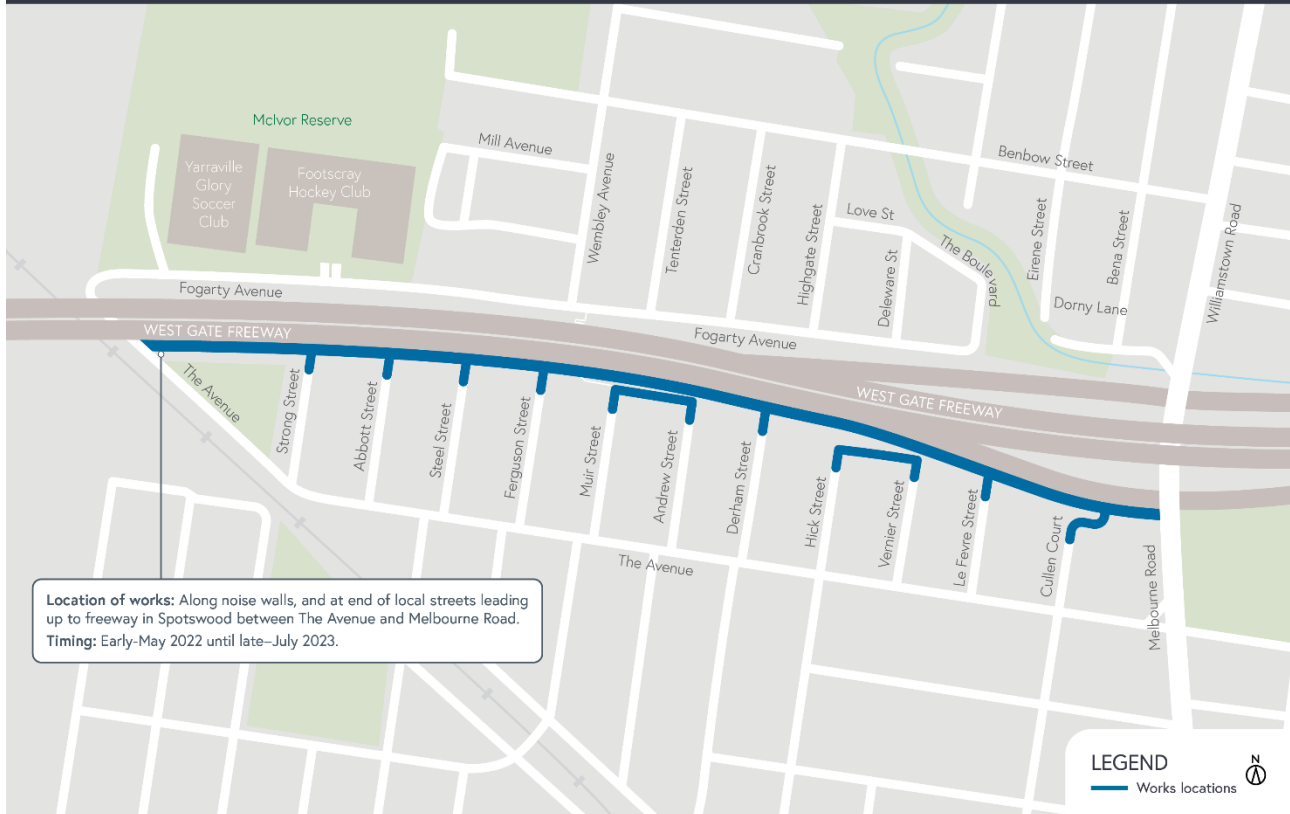

We will send you a reminder at least five days before we start works that require a section of the road to be closed.

Driveway access will be restricted for a small number of households within the work areas. Details will be confirmed with these households directly.

Works are scheduled to take place between 7am and 6pm, Monday to Saturday. Please note, works may be rescheduled, and dates are subject to change.

FREEWAY VERGE WORKS – SPOTSWOOD

All dates subject to change.

What you can expect during the works:

- Direct contact from the project team if there are changes to your driveway access.
- Work completed behind safety barriers with construction vehicles accessing work areas.
- Increased construction activity and vehicles in the area.
- Access to households / pedestrian bridge will be maintained.
- Water-spray trucks and road sweepers used in the local streets around our worksites.
- Works taking place between 7am and 6pm, Monday to Saturday.
- Occasional out of hours maintenance works on the drainage system near Derham Street.
