

8 June 2022

Dynon Road Bridge Works – Core Drilling

Core drilling works will commence along the Dynon Road Bridge, with a westbound closure of the bridge in place for the duration of the works.

What to expect and when

On Tuesday 21 June 2022, core drilling will be commencing along the Dynon Road Bridge.

The objective of the works is to drill in core bits and reinstate them. This is to occur nightly between Tuesday 21 June 2022 and Thursday 23 June 2022.

If the weather is poor, or there are any unexpected events, we may need to reschedule these works.

Core Drilling	Impact	Date
	Noisy night-time works. We expect noise to be at a low to medium level due to: <ul style="list-style-type: none"> Core sample drilling and reinstatement of core parts. 	21 June 2022 – 23 June 2022, 11pm to 5am
	Dynon Road westbound detour. Please see detour map overleaf. Detours via Dudley, Spencer and Dryburgh Street.	21 June 2022 – 23 June 2022, 11pm to 5am

Thank you

We appreciate our work can be disruptive and thank you for your understanding. Works may be rescheduled in the event of unexpected impacts.

We thank you for your patience and understanding as we complete these works.
