

23 August 2022

Footscray Road Closure – Steel Beam Installation

What is happening?

Work is continuing along Footscray Road to build the new elevated road and veloway. The first batch of large steel beams will be delivered to site requiring the use of oversized vehicles. These beams once in place, will span across Footscray Road to support the elevated road.

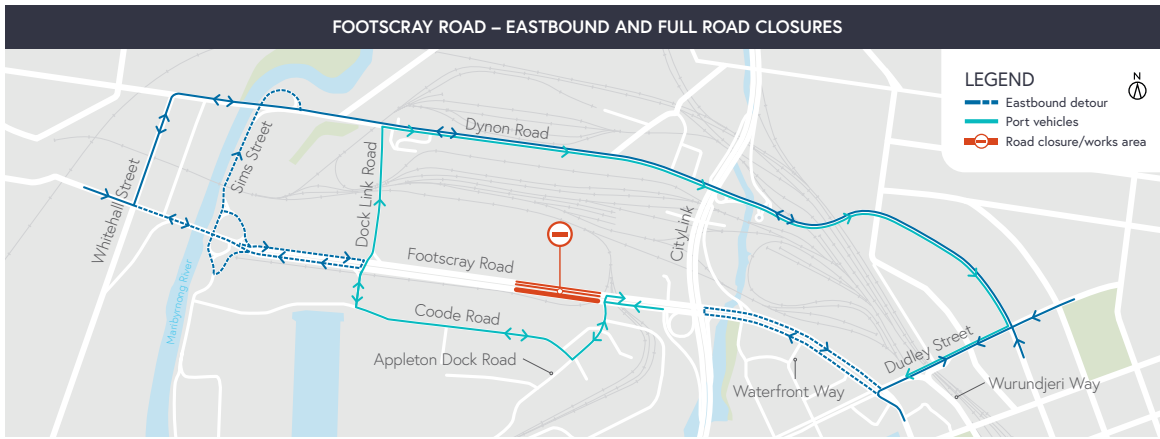

In order to install the beams safely, a combination of eastbound and full closures of Footscray Road are required.

What to expect and when

From Monday 5 September through to Sunday 11 September 2022, eastbound and full road closures of Footscray Road will be required for the installation of the first batch of steel beams along Footscray Road, between Dock Link Road and Appleton Dock Road.

Detour options are listed overleaf and there will be on-road signage to guide road users during the closures.

	Impact	Date
	Occasional noise during the day and night. <i>We don't expect noise to be disruptive.</i>	5am Monday 5 September 2022 to 5pm Sunday 11 September 2022
	Overnight eastbound closures of Footscray Road between Dock Link Road and Appleton Dock Road.	8pm – 5am Monday 5 to Friday 9 September 2022
	Full weekend closure of Footscray Road in both directions between Dock Link Road and Appleton Dock Road. <i>Detours will be in place (please see included map).</i>	5am Saturday 10 September 2022 to 5pm Sunday 11 September 2022

Thank you

We appreciate our work can be disruptive and thank you for your understanding.

Works may be rescheduled in the event of unexpected impacts. For up-to-date information on the closures please visit bigbuild.vic.gov.au/wgtp-disruptions

We thank you for your continued patience and understanding as we complete these works.
