

8 November 2022

Lyons Street short term closure for road surfacing work

What to expect and when

From 7am Friday 18 November to 5pm Wednesday 30 November 2022 we'll need to close Lyons Street to do pavement works and road maintenance.

During this time, no car parking will be available on the section of Lyons Street marked on the map overleaf. These are not permanent changes and parking will be reinstated at the completion of these works. We'll be working with businesses in the area on access to their businesses throughout Lyons St resurfacing and future works on Maribyrnong Street. There will be further work on Maribyrnong Street, and we'll provide separate updates on that work closer to the time.

How our works might affect you:

	Impact	Date
	<p>Car park spaces</p> <p>Car parking will not be available on Lyons Street between Maribyrnong Street and Whitehall Street while we undertake this work. Alternative car parking is available in the area, and is marked on the map overleaf.</p> <p>Please note that our construction workers will park within our worksites to help keep as many car park spaces open as possible.</p>	<p>7am Friday 18 November – 5pm Wednesday 30 November 2022</p>

SHORT TERM LYONS STREET CLOSURE AND ALTERNATIVE PARKING

Thank you

We appreciate our work can be disruptive and thank you for your patience and understanding as we complete these works. Works may be rescheduled in the event of unexpected impacts.
