

Works Notification

Site establishment

Monash | October 2023 - November 2023

Works are underway in Monash to deliver SRL East for Melbourne and Victoria.

We're establishing the site at the location of the SRL East station at Monash.

This will involve establishing a temporary site compound for worker amenities at 20-24 Howleys Road.

These works will be carried out from **mid-October for up to six weeks.**

These works will be undertaken during day-time working hours.

Day-time working hours

7am - 6pm, Monday to Friday

7am - 1pm, Saturday

20-24 Howleys Road

From mid-October for up to six weeks

- Installation of temporary site facilities for project staff.

Local traffic changes

- During the installation, residents in the area may experience intermittent pedestrian detours and minor traffic delays.
- Please see over the page for detail.

How we will manage our works

These works may generate low levels of noise. We will minimise impacts to the community by:

- Scheduling works to minimise impacts.
- Positioning equipment as far as possible from businesses and turning it off when not in use.

Optus works - Howleys Road and Normanby Road

- Optus will be removing redundant telecommunications infrastructure in the coming months.
- Optus may provide further information about timing, any impacts in your area and how to contact them about their works.

Future works

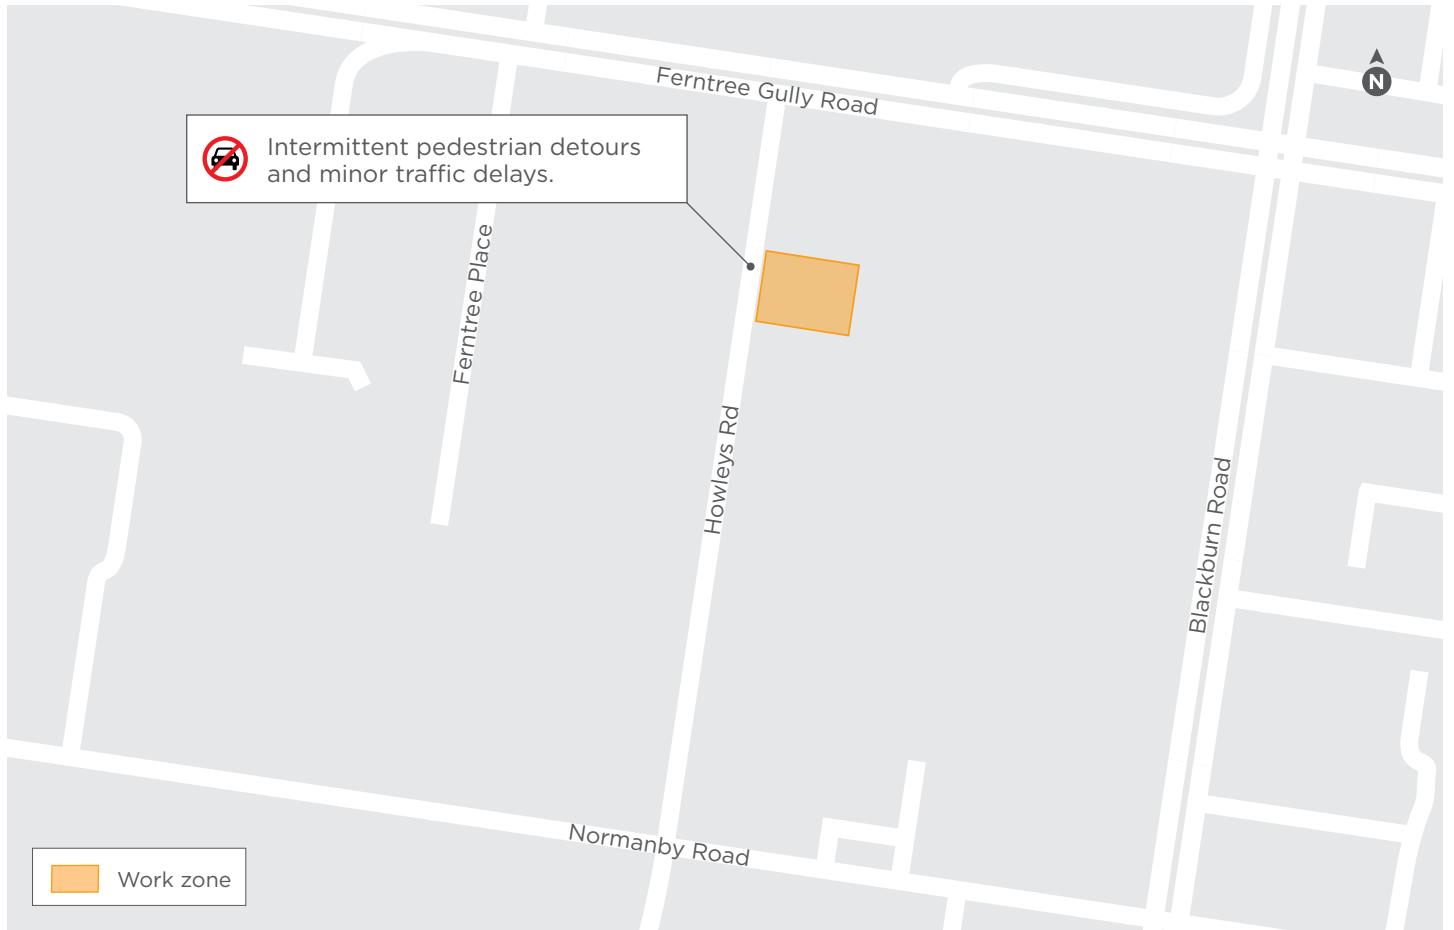

Demolition of the existing building at 20-24 Howleys Road will be undertaken after the completion of these works. We will provide further details about what to expect in the coming months.

Local traffic changes

Traffic changes are needed to complete these works. Vehicle and pedestrian access to businesses will be maintained at all times with help from traffic controllers when required.

Please see the table and map below for details of traffic changes in the area.

Dates	Travel change
Mid-October for up to six weeks	Howleys Road: Intermittent pedestrian detours and minor traffic delays around the work site.

Thank you for your patience and cooperation as we progress the delivery of SRL East and a new underground station at Monash
