

Works notice

Above ground structure works under road closure Little La Trobe Street

Tuesday 17 October to Friday 20 October 2023

Following the State Library Station October works notification, we wish to advise that above ground structure works will require a road closure of Little La Trobe Street.

What we are doing

- These works involve installing road plates on Little La Trobe Street, and using a 100 tonne crane on site and mobile cranes on the road to move and install concrete blocks. Elevated work platforms will be used during these works
- There will also be some adjustments to scaffolding using hand tools, welding activities and grouting.

What to be aware of

- These works can only be undertaken during a road closure of Little La Trobe Street, from 6pm to 2am each night between Tuesday 17 October and Friday 20 October
- During this closure, access to Little La Trobe Street and Literature Lane will be maintained via Elizabeth Street (see map)
- Local vehicle access to businesses and residential buildings will be maintained at all times under traffic control
- Pedestrian access will be maintained with stop and hold arrangements in place (as required)
- Please allow additional travel time during these works
- These works are expected to generate medium levels of noise. Noisier works will be carried out earlier in the shift where possible.

When

- 6pm to 2am each night between Tuesday 17 October and Friday 20 October 2023.

Where

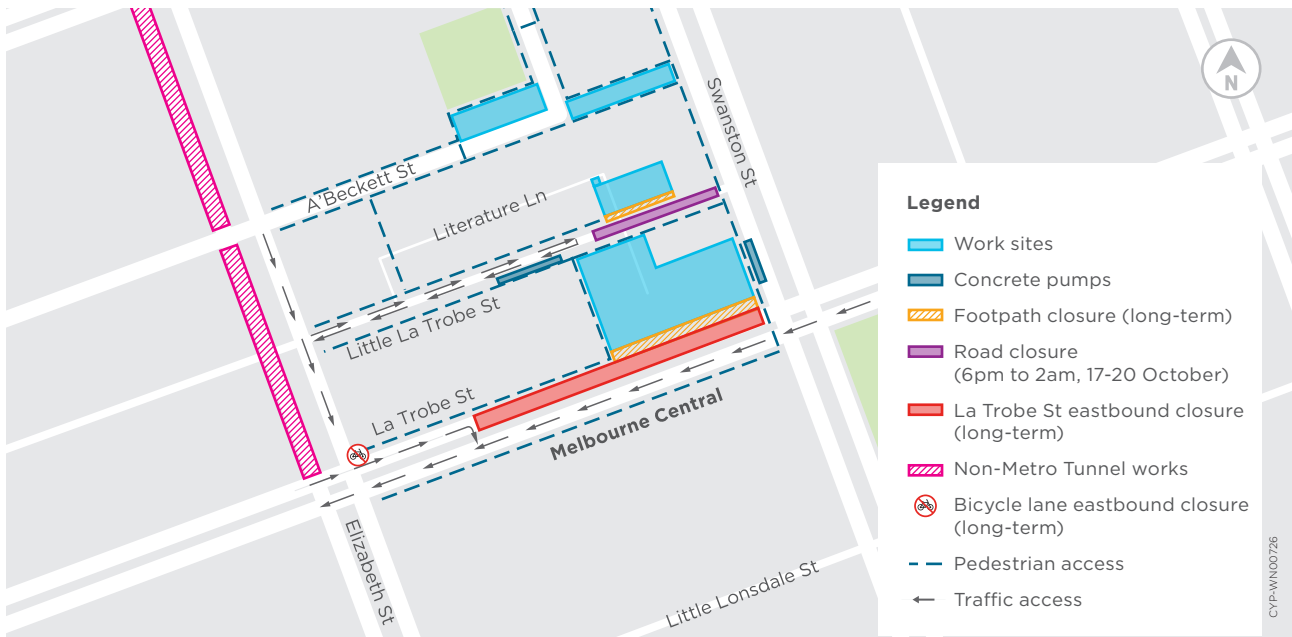

- Little La Trobe Street, between Elizabeth and Swanston streets.

Thank you for your patience while we undertake these works.
