

Works Notification

Works happening in your area

Heatherton | February 2024 update

Works are underway in Heatherton to deliver Suburban Rail Loop (SRL) East for Melbourne and Victoria.

These works include site investigations, relocation of underground services, earthworks, safe removal of hazardous materials, and construction of a tunnel access structure.

Works will be primarily undertaken during extended day-time working hours (with approvals in place).

All timings are weather permitting.

217 KINGSTON ROAD

From February

- Earthworks and excavation for up to 12 months
- Ongoing safe removal of hazardous material
- Ongoing construction of the tunnel access structure
- Connecting underground services to the site
- Demolishing existing buildings and structures.

91-185 KINGSTON ROAD

From early-February to early-March 2024

- Site investigations to locate underground services and assess ground conditions
- Earthworks to allow for safe access and work areas on site.

171-175 AND 172-176 OLD DANDENONG ROAD

Early-February to late-April 2024

- Installation of temporary fencing
- Removal of trees and vegetation
- Safe removal of hazardous material
- Demolishing existing buildings and structures
- Earthworks
- Reinstating fencing where required.

OLD DANDENONG ROAD

Ongoing until mid-March

- Site investigations to locate underground services and assess ground conditions
- Some overnight works may be required for two nights to remove traffic barriers.

Day-time working hours

6am - 6pm, Monday to Friday

6am - 1pm, Saturday

Night-time working hours (if required)

6pm - 6am, Monday to Sunday

How we will manage our works

We will minimise impacts to the community by:

- Positioning equipment away from residents and businesses
- Undertaking works that may impact traffic during off-peak times as much as possible
- Using water carts onsite to minimise dust
- Using machinery and equipment that minimises noise as much as possible
- If noisy works are required we will provide respite and apply noise reducing measures.

Noise impacts

As with all major infrastructure projects, surrounding communities may experience some impacts during construction.

The project will support businesses and residents to ensure people can continue to live, work, study and shop in their local community.

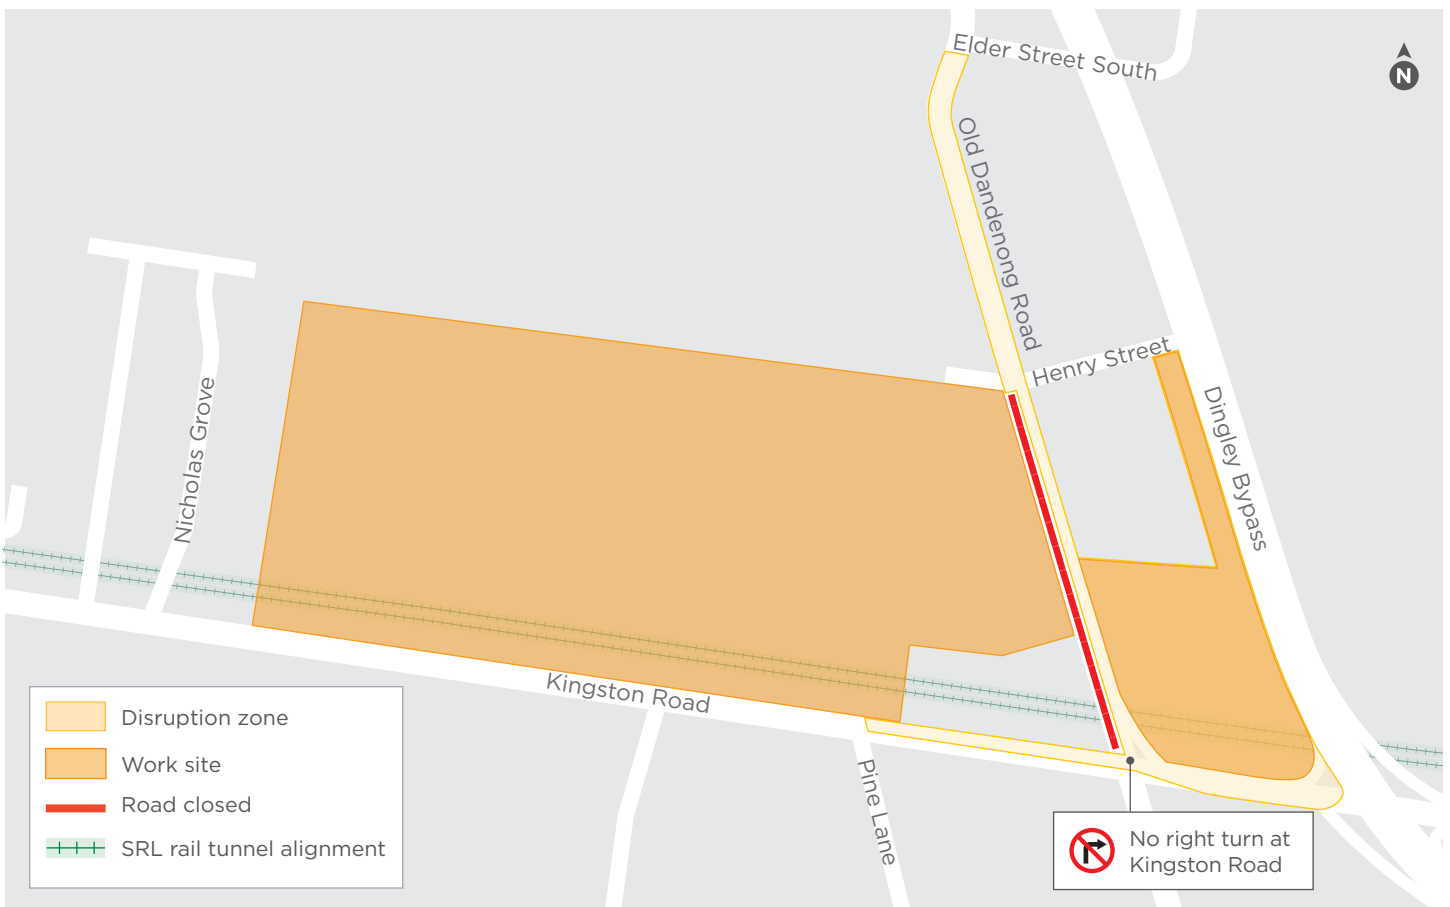

Please contact us on **1800 105 105** to discuss support available if you are impacted by our works.

Traffic changes

Traffic changes are needed to complete these works. Detours and reduced speed limits will be in place. Please follow all traffic signage. Vehicle and pedestrian access to homes and businesses will be maintained at all times.

Please see the table and map below for details of traffic changes in the area.

Dates	Travel change
Early-February until mid-March	<p>Changed traffic conditions during the day and overnight on Old Dandenong Road:</p> <ul style="list-style-type: none"> – Redirection of southbound traffic at times to facilitate works – Road closed to northbound traffic – No right turn onto Kingston Road – No access across Kingston Road travelling southbound on Old Dandenong Road.
	<ul style="list-style-type: none"> – Slow eastbound lane closure during the day and overnight on Kingston Road between Dingley Bypass and Pine Lane. Traffic maintained in both directions.

Thank you for your patience and cooperation as we progress the delivery of SRL East

To receive SRL East works reminders via **SMS** simply text **HEATHERTON** to **0429 469 592**
