

Works notice

Early works for Swanston Street tram overheads upgrade

July and August 2024

Yarra Trams will be undertaking works as part of the Metro Tunnel Project to upgrade tram overheads on Swanston Street in late August 2024.

Where

Swanston Street near the intersection of La Trobe Street.

When we'll be working

Works will take place from **midnight to 5am, Sunday 28 July to Friday 16 August 2024.**

The timing of work may change depending on weather and ground conditions.

In preparation of this upgrade, some early works will take place at night in late July to mid-August.

What we'll be doing

Yarra Trams contractors will be conducting:

- Service proving
- Tram pole installation.

What to be aware of

- Vehicles, machinery and contractors will be in the area during work hours
- Mostly low-to-medium levels of noise are expected. Brief periods of high level noise for saw cutting and breakout of pavement
- Temporary traffic lane, road and on street parking closures will be in place as required, with diversions in place. Please follow traffic management and signage

- Tram services will not be impacted
- Works are dependent on weather and ground conditions and subject to change.

More information

If you have any questions or concerns regarding these works, please contact Yarra Trams on **1800 800 007.**
