### Changes to Carinish Road

Tunnel boring machines to build the SRL East tunnels will launch in 2026. To prepare for building the new underground station, we're protecting the elevated rail line, permanently closing a portion of Carinish Road from 31 January and upgrading Shandeanu Avenue. Scan the QR code to read more.

### Impacts

As with all major infrastructure projects, surrounding communities may experience some impacts during construction. The Project supports businesses and residents to continue to live, work, study and shop in their community.

Please contact us on **1800 105 105** to discuss support available if you are impacted by our works.

### How we will manage our works

- Maintaining access for emergency vehicles and buses at all times
- Maintaining access to homes and businesses
- Safely removing hazardous materials in accordance with Environmental Protection Authority regulations
- Transporting materials from site in covered trucks to minimise dust
- Using water and dust suppressants
- Installing road safety and detour signage.

To receive SRL East works reminders via SMS text **CLAYTON** to **0429 469 592**
