

Works notice

Footpath closures

Flinders Street and Swanston Street

May 2025

The Flinders Street northern footpath will close from 12 to 23 May for gantry modification works, and the Swanston Street western footpath will close from 12 to 31 May for gantry modification and paving works.

When we'll be working

Flinders Street

- 12 to 23 May 2025.

Swanston Street

- 12 to 31 May 2025.

For both closures

- 7am to 2:30am on weekdays
- 7am to 3pm on Saturdays
- The footpath closures will be in place **24 hours a day**.

The timing of work may change depending on weather.

Flinders Street

What we'll be doing

- Removing the current overhead pedestrian gantry at the Flinders Street northern footpath
- Installing a new pedestrian gantry in the same location
- Completing some minor mechanical, electrical and plumbing works.

What to be aware of

- The Flinders Street northern footpath will be closed 24 hours a day during these works, between Dangerfield and Flora Indian (refer to map)
- A pedestrian detour will be in place via the Flinders Street southern footpath.

Swanston Street

What we'll be doing

- Removing the existing concrete driveway into the Flinders Quarter site
- Reinstating that section of the Swanston Street footpath with new bluestone paving
- Installing an additional section of the overhead pedestrian gantry, light pole installation and exhaust duct installation.

What to be aware of

- The Swanston Street western footpath will be closed 24 hours a day during these works, between Young & Jackson and the Nicholas Building (refer to map)
- A pedestrian detour will be in place via the Swanston Street eastern footpath.

Flinders Street and Swanston Street

For both closures

- The footpath closures are directly adjacent to the Flinders Quarter site
- Access to all local buildings and businesses will be maintained at all times
- Traffic controls will be in place to manage the closures
- These works are expected to generate medium periods of noise with intermittent periods of high-level noise.

We appreciate your patience while we undertake these works. If you have any questions or concerns, please contact the Metro Tunnel Project information line on **1800 105 105**.
