## How we will manage our works

- Maintaining access for emergency vehicles and buses at all times
- Maintaining access to homes and businesses
- Safely removing hazardous materials in accordance with Environmental Protection Authority regulations
- Transporting materials from site in covered trucks to minimise dust
- Using water and dust suppressants
- Installing road safety and detour signage
- Pedestrian and cyclist detours in place.

## Impacts

As with all major infrastructure projects, surrounding communities may experience some impacts during construction. The Project supports businesses and residents to continue to live, work, study and shop in their community.

**Clayton shopping precinct remains open and accessible throughout these works.**

Please contact us on **1800 105 105** to discuss support available if you are impacted by our works.

### Oversized deliveries

There will continue to be large equipment and machinery delivered to the Clayton worksite. Most deliveries can be moved on a normal truck load during the day, however there will be some oversize loads delivered at night to reduce traffic impacts.

## Works are on, shops are open

Support your local traders during construction.
