

# Mount Waverley works update

October 2025

Works are underway in Mount Waverley to deliver Suburban Rail Loop (SRL) East for Melbourne and Victoria.

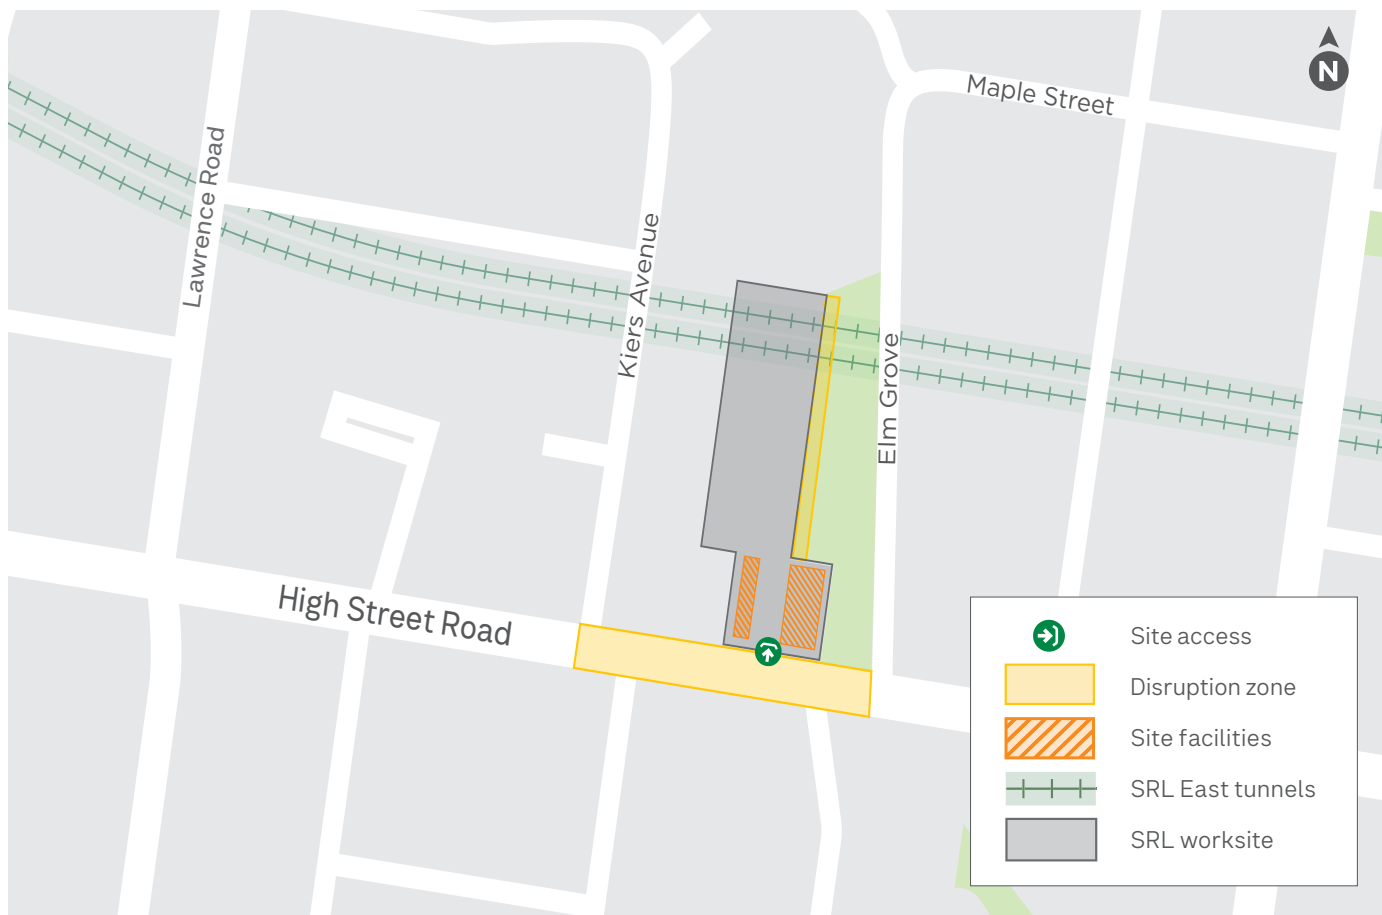

## What we are doing

 **Day works** 7am – 6pm Monday to Friday and 7am – 1pm Saturday

The following works will be carried out during October.

Where	When	What we are doing	What to expect
Emergency support facility site, Mount Waverley	 Ongoing until mid October 2025	<ul style="list-style-type: none"> <li>— Site establishment including: <ul style="list-style-type: none"> <li>— Removing trees and vegetation</li> <li>— Setting up site offices</li> <li>— Installing fencing and hoarding</li> <li>— Safely removing hazardous material, if found</li> </ul> </li> <li>— Preparing for piling works: <ul style="list-style-type: none"> <li>— Earthworks</li> </ul> </li> </ul>	<ul style="list-style-type: none"> <li>— Traffic management in place</li> <li>— Medium to high levels of noise, dust and vibration</li> <li>— Workers, machinery and vehicles at the site</li> <li>— Transporting construction machinery to site</li> </ul>
High Street Road, Mount Waverley	 Ongoing until late December 2025	<ul style="list-style-type: none"> <li>— Installing temporary traffic signage</li> </ul>	<ul style="list-style-type: none"> <li>— Intermittent lane closures between Kiers Avenue and Elm Grove between 9.30am and 3pm weekdays</li> </ul>
Emergency support facility site, Mount Waverley	 From mid October to early 2026	<ul style="list-style-type: none"> <li>— Piling to construct the intervention and ventilation shaft walls including: <ul style="list-style-type: none"> <li>— Drilling 25-metre deep holes</li> <li>— Installing steel cages into the holes</li> <li>— Filling the holes with concrete</li> <li>— Safely removing hazardous material, if found</li> </ul> </li> </ul>	<ul style="list-style-type: none"> <li>— Traffic management in place</li> <li>— Medium to high levels of noise, dust and vibration</li> <li>— Workers, machinery and vehicles at the site</li> </ul>

Note: Timing of the works may change due to weather or ground conditions.

## Impacts

As with all major infrastructure projects, surrounding communities may experience some impacts during construction. The project supports businesses and residents to continue to live, work, study and shop in their community. Please contact us on **1800 105 105** to discuss support available if you are impacted by our works.

## How we will manage our works

We will minimise impacts to the community by:

- Accessing site via the existing gate at High Street Road only
- Installing road safety and detour signage
- Transporting materials from site in covered trucks to minimise dust
- Maintaining access to homes and businesses
- Installing fencing and hoarding to reduce construction noise
- Using street sweepers to keep roads clean
- Using water and dust suppressants
- Scheduling works to minimise impacts.

Thank you for your patience and cooperation as we progress the delivery of SRL East at Mount Waverley.
