Urban Design Visualisations

Overview & Document Control

Attachment 3 contains urban design visualisations associated with the Eastern Freeway Upgrades – Hoddle Street to Burke Road. The purpose of these visualisations is to provide the artistic renderings and images for context, and to demonstrate specific built form outcomes, in an illustrative manner. Vegetation shown is post-construction and at maturity. The visualisations are indicative only and not part of the Urban Design and Landscape Plan approval.

Visualisations are secondary to architectural plans and landscape plans and further demonstrate the intended urban design and landscape outcomes, particularly in relation to visual amenity and user experience.
