Heatherton and Clarinda works update

December 2026 and January 2027

Works are underway in Heatherton and Clarinda to deliver the Suburban Rail Loop (SRL) East.

What we are doing

Train stabling facility, Heatherton

— Building the eastern tunnel entrance (ETE) and western tunnel entrance (WTE)
— Building the train stabling facility.

Tunnel boring machine (TBM) launch site, Clarinda

— Building the Clarinda tunnel access structures (TAS)
— Tunnelling works and supporting activities
— Connecting underground services.

Day works
7am – 6pm Monday to Friday and 7am – 1pm Saturday

24-hour works
Monday to Sunday

Night works
6pm – 7am Monday to Sunday

The following works will be carried out during Decemeber 2026 and January 2027.

Where	When	What we are doing	What to expect
Train stabling facility, Heatherton	24 Ongoing	— Building the WTE and ETE — Earthworks and excavation — Preparing for tunnelling — Site investigations and monitoring — Ground improvement works including piling and rolling — Building foundations including piling — Safe management and removal of hazardous material — Moving and connecting underground services — Vegetation removal — Constructing an acoustic shed at WTE	— Truck movements and oversized deliveries up to 24/7, including loading and unloading — Workers in specialised protective clothing — Workers in Kingston Walk Linear Reserve at times — Workers and exclusion zones in Henry Street Linear Reserve at times — Noise, vibration, light and dust. Piling and ground improvement activities may cause higher levels of noise and vibrations. These works will not be done at night

Holiday shutdown

There will be no Suburban Rail Loop works during the holiday period from **Tuesday 22 December 2026 to Wednesday 13 January 2027** inclusive at Heatherton. At Clarinda a small crew will continue to operate over the holiday period.

Where	When	What we are doing	What to expect
TBM launch site, Clarinda	Ongoing	— Tunnelling support works — Moving and connecting underground and above ground services	— Changed traffic conditions on Victory Road — Peace Road closed until mid 2027 — Truck movements and oversized deliveries up to 24/7, including loading and unloading — Noise, vibration, light and dust
Kingston Road, Heatherton	Ongoing	— Moving and connecting underground and above ground services — Traffic barrier movements	— Overnight road closures from Nicholas Grove to Clayton Road at times — Changed traffic conditions between Warrigal Road and Clayton Road — Truck movements and oversized deliveries up to 24/7 — Access to homes will be maintained — Noise, vibration, light and dust — Changes to 631 bus route between Nicholas Grove and Clayton Road — Visit **ptv.vic.gov.au** and **bigbuild.vic.gov.au/disruptions** to plan your journey

Traffic disruptions are subject to change due to conditions outside of our control, please visit **bigbuild.vic.gov.au/disruptions** to get the latest available information.

Local traders remain open for business during works.

There will be increasing major works activities, including earthworks and piling, across the train stabling facility site.

Impacts

As with all major infrastructure projects, surrounding communities may experience some impacts during construction.

Please contact us on **1800 105 105** to discuss support available if you are impacted by our works.

How we will manage our works

- Covering trucks to minimise dust
- Monitoring noise, dust and vibration levels
- Using noise blankets and hoarding to minimise noise, dust and light spill
- Safely removing and managing hazardous materials in accordance with regulations and requirements
- Using wheel washers and rumble grids to remove mud and dirt from trucks leaving the site
- Using street sweepers to minimise mud and dirt on local roads
- Using water and dust suppressants
- Maintaining access to homes and businesses.
