

## Works Notification

### Substation works

Sydenham Road, Delahey

**21 February to late April 2022**

As part of the Sunbury Line Upgrade, we are delivering power upgrades that will allow bigger, more modern trains to run on the Sunbury Line. We wish to advise of ongoing and upcoming works to build a new electrical substation on Sydenham Road, Delahey.

#### What we are doing

##### Excavation and pit installation works

*Monday 21 February to  
Monday 28 February 2022*

- Using excavators and non-destructive digging (NDD) to expose underground services
- Operating a small crane to install a new underground concrete pit and connecting it to conduits that will service the new substation building
- Construction machinery will access the rail corridor via Carbine Way.

##### Sewerage pipe upgrade works

*Mid-March to late April 2022*

- Sewerage pipe upgrade works are required to connect the new Sydenham Road substation to the nearby sewer connection point on McNicholl Way
- Using excavators, NDD and boring machines to dig underground and install drainage pipes that will service the new substation building
- Underground boring works will take place from the pedestrian crossing on Sydenham Road and travel underneath McNicholl Way
- Excavation works will be required on Sydenham Road and McNicholl Way to create launch and retrieval shafts for the underground boring machinery.

#### When

- 7am to 6pm, Monday to Friday
- 7am to 5pm, Saturdays
- 8am to 5pm, Sundays.

#### What to be aware of

- These works are expected to generate medium to high levels of noise, dust and vibration
- The pedestrian crossing between Sydenham Road and Lady Nelson Way will be temporarily closed while sewerage upgrade works take place
- Some substation works will be undertaken out of hours on Saturdays between 1pm and 5pm and on Sundays between 8am and 5pm. Construction activities that generate lower levels of noise will be undertaken during this time
- Ground conditions in the local area contain basalt rock which, if encountered, will need to be broken to facilitate these works
- There will be an increase in construction vehicles accessing Sydenham Road. Traffic controllers will be present at times to assist with vehicle, pedestrian and cyclist movements around the area.

### Health and safety

Works on the Sunbury Line Upgrade are being carried out with COVIDSafe Plans in place to help protect workers and the community.

For more information and advice about coronavirus (COVID-19), please visit [coronavirus.vic.gov.au](https://www.coronavirus.vic.gov.au).

### Travel changes

To ensure the 24-hour and out of hours works can take place safely, buses will replace trains on sections of the Sunbury Line at different times between **Tuesday 15 February until Wednesday 2 March 2022**.

For further details and to plan your journey please visit [ptv.vic.gov.au](https://www.ptv.vic.gov.au) or call **1800 800 007**.
