

Trips on North East Link

We're fixing the missing link from the M80 Ring Road to the Eastern Freeway – slashing travel times by up to 35 minutes and taking 15,000 trucks off local roads a day.

As well as building Victoria's longest twin road tunnels, we'll complete the Ring Road in Greensborough, overhaul the Eastern Freeway and build Melbourne's first dedicated busway. It's the largest ever investment in Melbourne's north east.
