

14 October 2022

Upcoming Works – Dynon Road

Works are progressing around the Dynon Road and Railway Place area beginning mid-October until late December 2022. The crucial work outlined below will facilitate construction of a strengthened and widened Dynon Road Bridge, which will ultimately help ensure a safe path separating vehicles from people traveling along Dynon Road to North Melbourne. At the same time, in the same area, we're continuing work on construction of a walking and cycling path.

What to expect and when

From Monday 17 October 2022, the below area will experience scaffolding works, footpath changes, hydro demolition work, crane set ups and the re-building of Dynon Road Bridge. These works are due to occur intermittently during the day and night. We will be working to reduce noise as much as possible with a range of mitigation measures.

We'll provide more information about the work due to take place on Dynon Road Bridge in the coming month.

If the weather is poor, or there are any unexpected events, we may need to reschedule these works.

	Impact	Date
	Scaffolding works A diversion will be made for pedestrians/cyclists commuting underneath the Dynon Road Bridge during set up and pack up of temporary scaffolding.	Monday 17 October – Wednesday 19 October 2022, 9pm to 5am
	Hydro works Hydro demolition work involves using high pressure water to remove concrete. It can be noisy while underway.	Monday 7 November – Friday 18 November 2022 9pm to 5am Monday 28 November – Saturday 3 December 2022, 9pm to 5am
	Crane installation We expect noise to be at a low to medium level due to: <ul style="list-style-type: none"> • The setup of cranes on Laurens Street/Railway Place 	Wednesday 23 November – Thursday 24 November 2022, 9pm to 5am
	<ul style="list-style-type: none"> • Removal of cranes on Laurens Street/Railway Place 	Tuesday 13 December – Wednesday 14 December 2022, 9pm to 5am

	Impact	Date
	Rebuilding bridge We expect noise to be at a low to medium level due to: <ul style="list-style-type: none"> • Deck demolition and remove old beams • Install new beams • Place new deck • Pour concrete to finish new deck 	Thursday 1 December – Thursday 22 December 2022
	There will be road closures required while we carry out some of this work. We will keep you updated closer to the time of closures, and you can go to bigbuild.vic.gov.au/disruptions for more information.	

Thank you

We appreciate our work can be disruptive and thank you for your understanding. Works may be rescheduled in the event of unexpected impacts.

We thank you for your continued patience and understanding as we complete these works.
