

# PROJECT OVERVIEW

## MICKLEHAM ROAD UPGRADE – STAGE 2

MAY 2025

We're upgrading Mickleham Road between Dellamore Boulevard and Craigieburn Road, Yuroke to make your journey safer and more reliable.

As part of the upgrade we'll:

- add extra lanes, increasing Mickleham Road to three lanes in each direction
- add traffic lights at the Mickleham Road and Dunhelen Lane and Cookes Road intersections
- build walking and cycling paths.

### Status

A business case has been completed, which examined the upgrade in detail to recommend a design and identify the best delivery approach.

Planning work completed to date includes traffic modelling, constructability assessments, economic modelling, stakeholder/ community consultation and environmental investigations.

### Project timeline

- ✓ **Late 2022**  
Planning work commenced
- ✓ **2024**  
Business case complete
- ✓ **April 2025**  
The Australian and Victorian governments committed \$250 million for the upgrade
- **2025**  
Planning work continues

## Benefits

### The upgrade will:

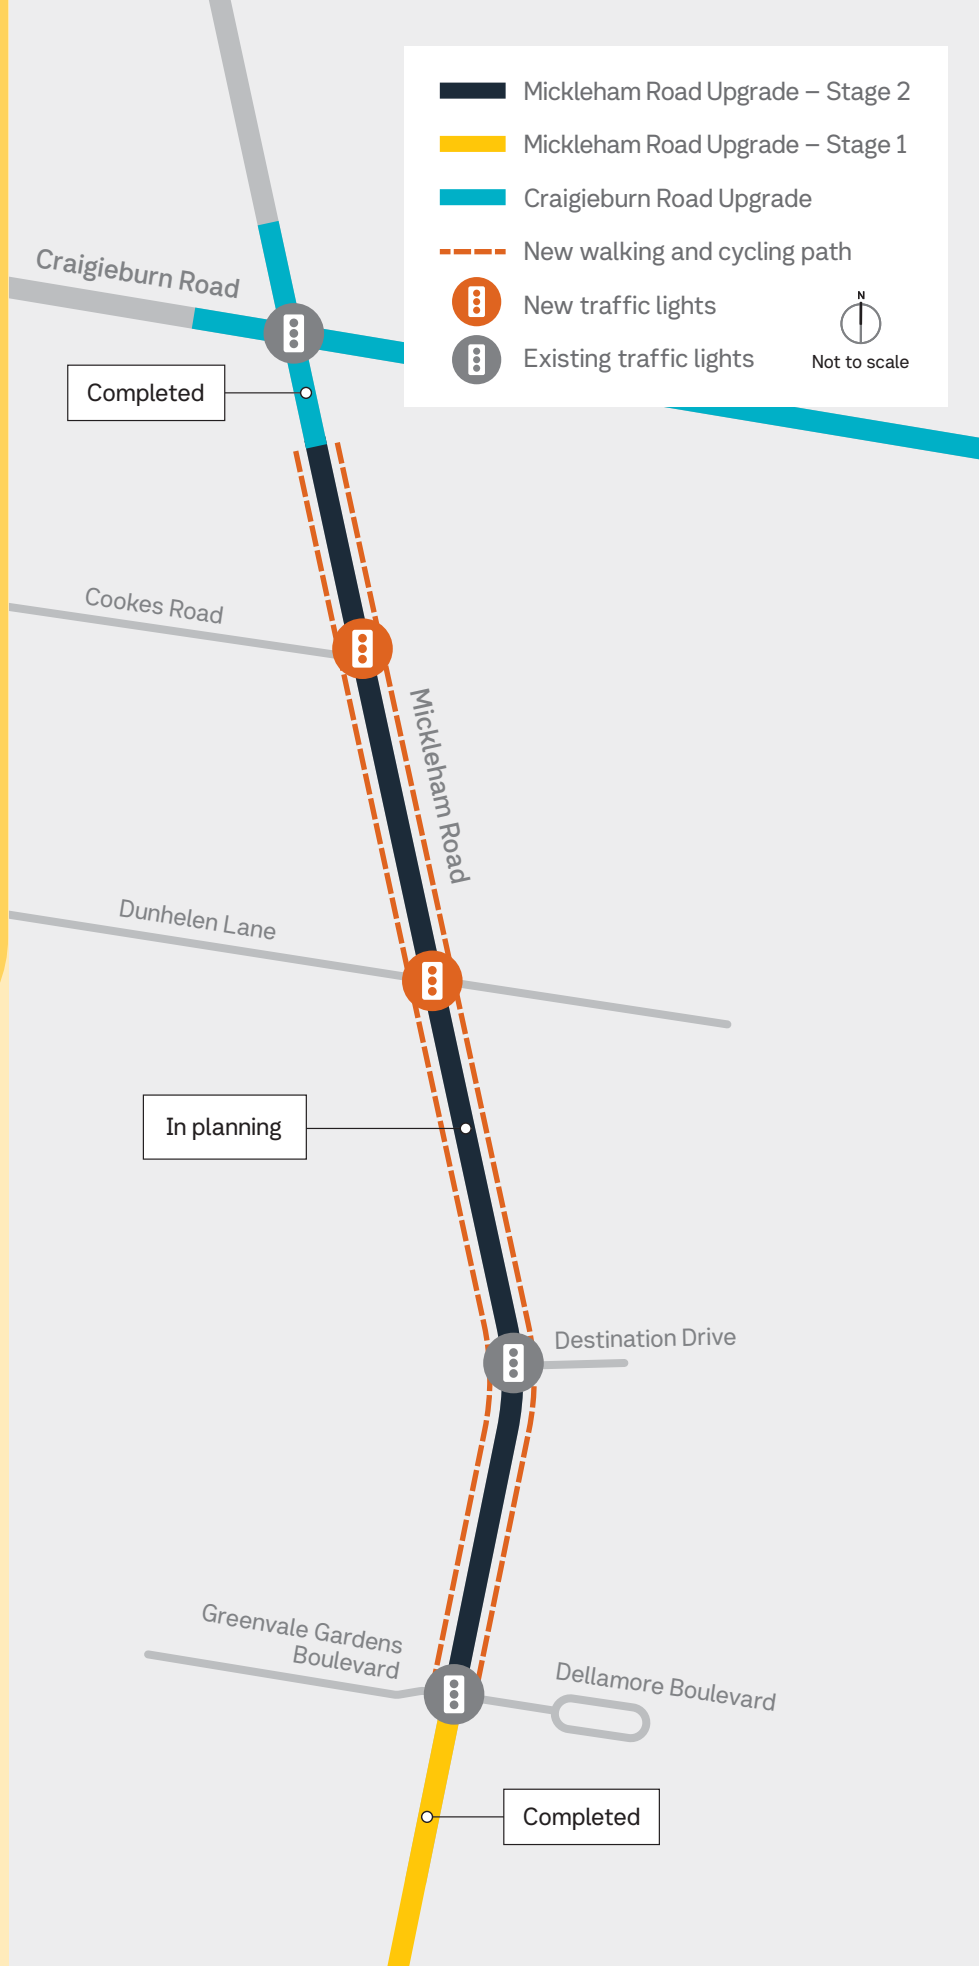

-  Enhance the benefits from the Mickleham Road Upgrade – Stage 1
-  Enhance the benefits from the Craigieburn Road Upgrade
-  Improve road safety
-  Reduce conflict points at key intersections along the road
-  Reduce congestion and improve travel times
-  Boost road capacity and cater for population growth and increased vehicle movements
-  Make it easier and safer to walk and cycle in the area.

## Next steps

Planning work is continuing, as the upgrade moves towards construction. Key activities include:

- detailed on-site environmental investigations to further understand flora and fauna which might be impacted by the upgrade
- preparing a Cultural Heritage Management Plan – to outline measures to ensure Aboriginal cultural heritage is recognised and safeguarded
- refining the upgrade's design
- on-site investigations including identifying underground utilities, testing ground conditions, drainage and flood modelling
- appointing a construction partner.

Construction timelines will be known once our planning has progressed further.
