

Works notice

Overnight utility installation

Each night from 8pm Tuesday 21 November to 5am Friday 24 November

For three nights this month we will install conduits underneath the southbound lane of St Kilda Road to connect the Anzac Station utilities.

What we are doing

- Closing the southbound lane of St Kilda Road between Dorcas Street and Toorak Road
- Saw cutting the road, digging trenches with excavators, using a Non-Destructive Digging truck to expose conduits, laying new conduit and backfilling
- Reopening southbound St Kilda Road lanes from 5am each day.

What to be aware of

- There will be a detour in place via Dorcas Street and Kings Way
- These works require the use of saw cutters, excavators and hand tools
- These works are expected to generate high levels of noise during saw cutting and medium levels of noise during excavation.

When

- Works will take place each night from 8pm to 5am, Tuesday 21 November to Friday 24 November
- These works must take place at night when there is less traffic and St Kilda Road can be closed.

Further information on these works can be found at metrotunnel.vic.gov.au

Resurfacing of St Kilda Road and the St Kilda Road and Toorak Road intersection, 26 November to Friday 1 December

As part of the finishing works for the Metro Tunnel Project we're resurfacing the northbound lanes along the St Kilda Road and Toorak Road intersection and sections of the southbound lane along St Kilda Road, overnight, 6pm to 6am, from 6pm Sunday 26 November to 6am Friday 1 December 2023.

During this time please expect closures of the northbound and southbound lanes along St Kilda Road between Arthur Street and Park Street. Please expect detours in place and allow extra time for your journeys.

Visit metrotunnel.vic.gov.au for the latest travel and works information.

Bowen Crescent closure from Tuesday 21 November until Saturday 25 November

We're closing Bowen Crescent at St Kilda Road for three weeks to build a raised pedestrian crossing and install underground services, from Tuesday 21 November until Saturday 25 November. From Monday 27 November to 15 December, the left turn from St Kilda Road to Bowen Crescent will remain closed but access from Bowen Crescent will be open.

Please expect detours in place and visit metrotunnel.vic.gov.au for the latest travel and works information.
