

Works to remove the Coolstore Road, Croydon level crossing

Coolstore Road, Croydon, April 2024

# Upcoming major road works

We're removing the dangerous level crossing and roundabout at Coolstore Road, Croydon by elevating the rail line, building a new Croydon Station and transport hub and creating new road links to connect Croydon's town centre.

With the removal of the remaining level crossings in Croydon, Lilydale and Ringwood, the Lilydale Line will be Melbourne's first rail line to be boom gate free – one year ahead of schedule. To safely build the new rail bridge and road connections by spring this year there will be road and lane closures in Croydon from mid-April. Please be aware works can sometimes take longer than expected or need to be rescheduled due to weather and other factors outside of our control.

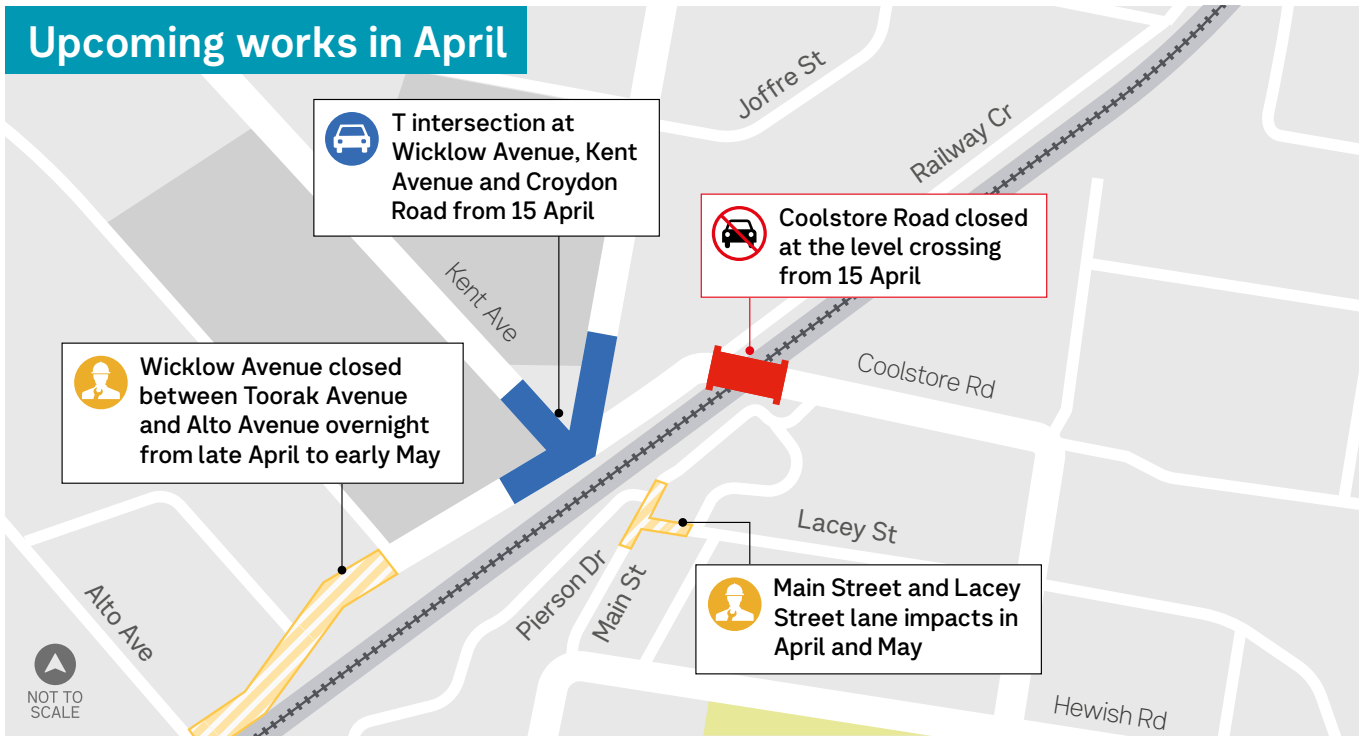

Location	Details	Date
Coolstore Road	Closed at the level crossing	From 15 April
Wicklow Avenue/ Kent Avenue/Croydon Road intersection	New T-intersection replaces roundabout	From 15 April
Lacey Street	Closed at intersection of Main Street and Lacey Street	Until mid May
Wicklow Avenue	Closed between Toorak Avenue and Alto Avenue	From late April to early May
Main Street	Lane closures on sections of Main Street. Traffic will be maintained in an eastbound direction towards Coolstore Road.	Until late May
Croydon Road	One-way (eastbound) between Wicklow Avenue and Joffre Street. Closed westbound between Wicklow Avenue and Joffre Street.	From Monday 13 May to Friday 17 May
Wicklow Avenue	One-way (eastbound) between Toorak Avenue and Kent Avenue. Closed westbound between Toorak Avenue and Kent Avenue.	From Monday 13 May to Friday 17 May
Kent Avenue	Closed at the Croydon Road/Wicklow Avenue intersection	From Saturday 18 May to Friday 31 May

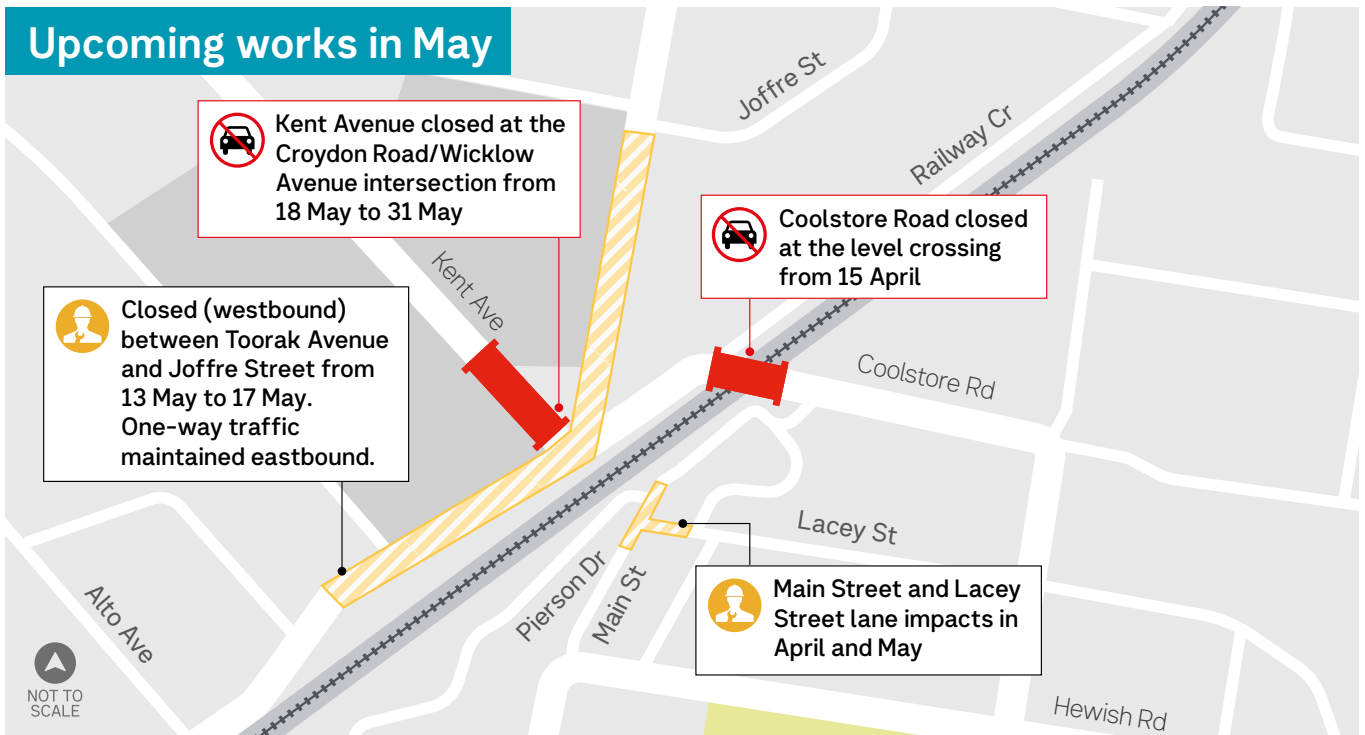

## Stay up to date

We encourage you to plan ahead by scanning the QR code for disruption information and familiarising yourself with the road detours. Scan the QR code or visit [levelcrossings.vic.gov.au/coolstore-map](https://levelcrossings.vic.gov.au/coolstore-map) to view more information on each disruption.
