

Works Notification

1 OCTOBER 2024

Federation Trail resurfacing between Kororoit Creek Trail and Millers Road

When we'll be working

The Federation Trail between Kororoit Creek Trail and Millers Road will be closed from **9pm 8 October to 5am 14 December 2024**

What we'll be doing

We'll be re-surfacing approximately 2km of the Federation Trail in Brooklyn between the Kororoit Creek Trail and Millers Road as part of the project's delivery of 14km of new and upgraded walking and cycling paths. These works will help to create a smoother and safer journey for both cyclists and pedestrians.

While we need to temporarily close this section of the Federation Trail, we'll be opening the new connection at the Kororoit Creek Trail, along with the upgraded section of the Federation Trail between Millers Road and Fogarty Avenue. This will provide a detour route during the resurfacing works. These paths are important connections, helping to create an enjoyable and safer active transport corridor to and from Melbourne's west.

Impacts

Federation Trail closed between Kororoit Creek Trail and Millers Road 24/7 from **9pm Tuesday 8 October to 5am Saturday 14 December 2024**.

Please note, the West Gate Tunnel Project does not recommend cyclists using Geelong Road due to the high number of vehicles and trucks using this major arterial road.

Noise

You may notice minor construction noise during these works.

Depending on the type of works and if they're expected to create extra noise, the West Gate Tunnel Project team will be in contact with residents directly.

Changes to the way you travel

Detours will be in place, please follow the signed detours, check before you travel and ride carefully.

See the map overleaf for alternative routes.

Please allow for extra travel time during these closures.

This work may be subject to approvals and permits and may change due to site and weather conditions.

More information

If you have any questions or concerns, please call us on **1800 105 105** and ask for the **West Zone**.

Remember there may be other disruptions to traffic during this time. For the latest information and to plan ahead, visit bigbuild.vic.gov.au/disruptions

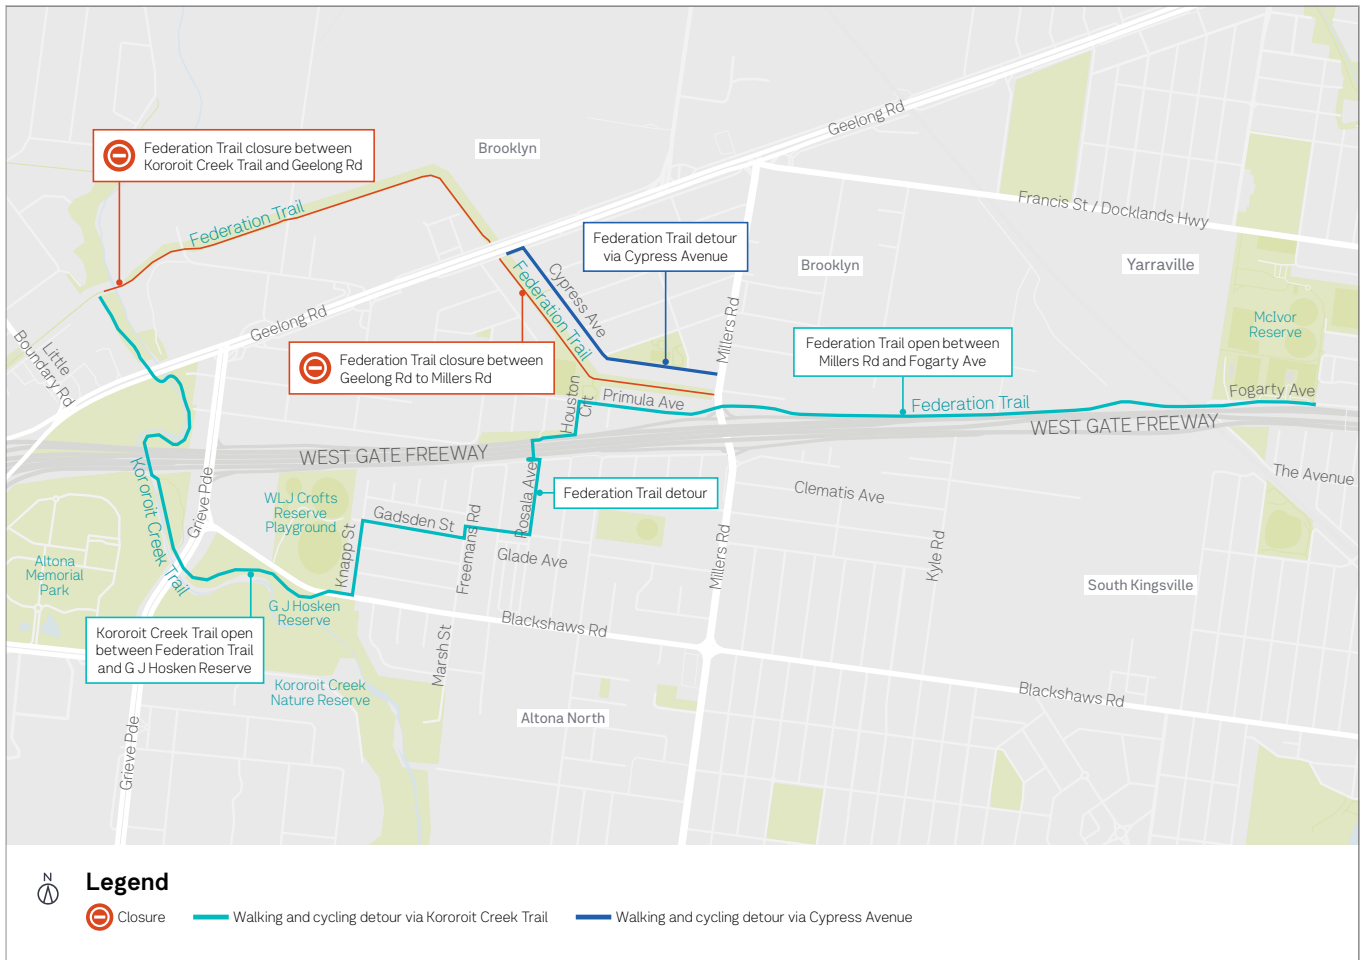

We appreciate our work can be disruptive and thank you for your understanding.
