

Construction Blitz on Grimshaw Street – Spring 2025

Works Notification
September 2025

Major works at Grimshaw Street Interchange – from Spring 2025

What you need to know

Major construction on the new Grimshaw Street Interchange is starting soon.

During September, there will be intermittent day and night traffic changes, including lane and road closures, on Grimshaw Street and local streets.

Throughout October 2025, Grimshaw Street will be closed in both directions between Greensborough Bypass and William Street, as we begin major works to construct the new Grimshaw Street Interchange. During this time, buses will replace trains on the Hurstbridge line, between Eltham and Heidelberg.

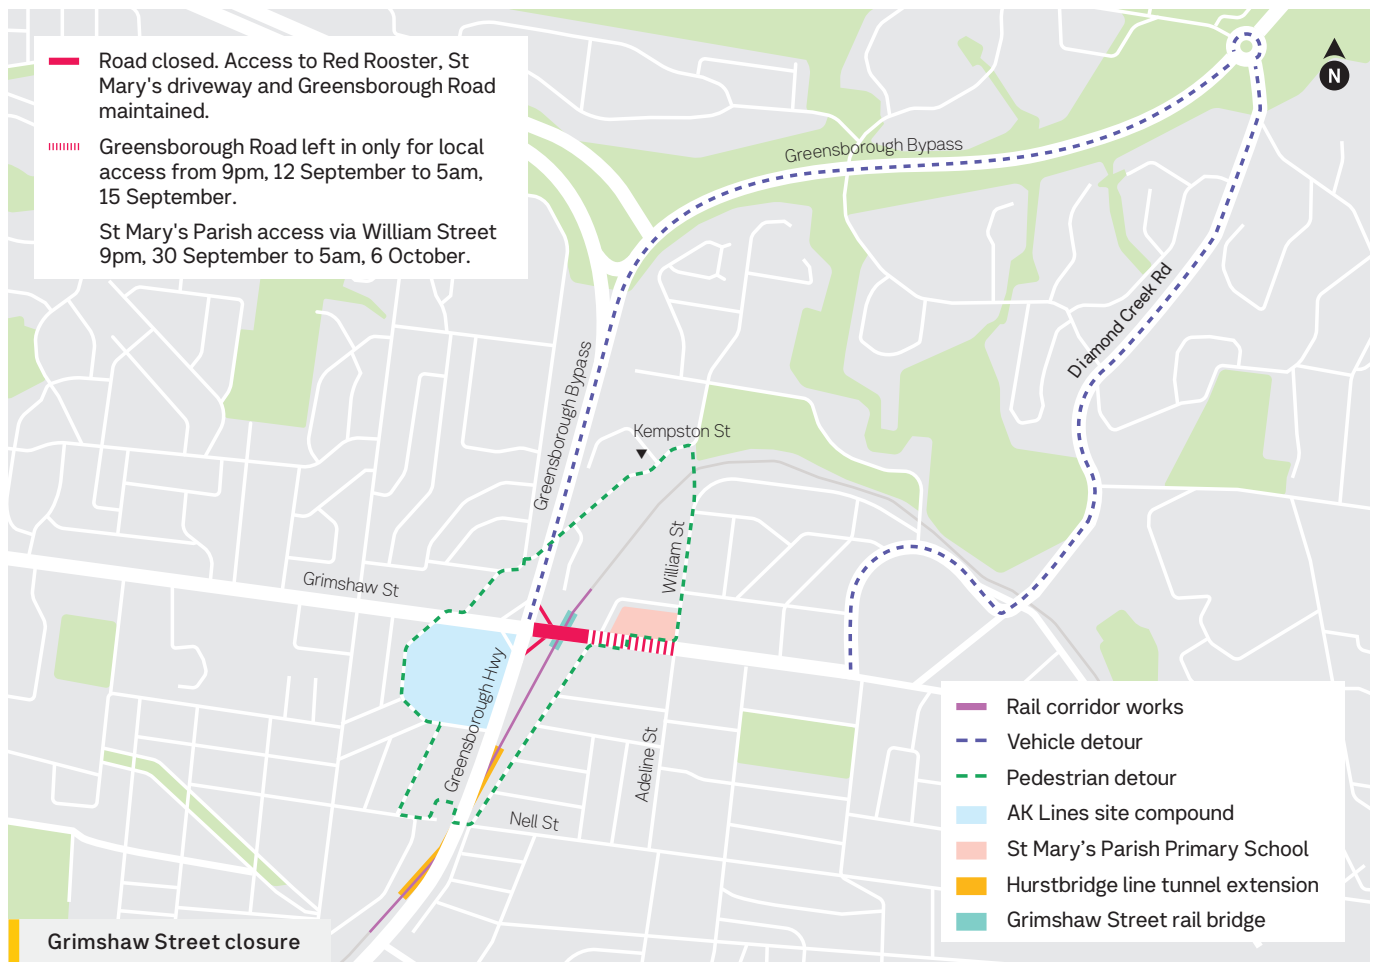

Late 2025 major works – west side of interchange

From early November to mid-December, Grimshaw Street will be closed between Macorna Street and Greensborough Bypass, with 24 hour works on the road to build the west side of the Grimshaw Street Interchange.

Please plan your trip and allow additional travel time. Disruption dates are subject to change.

What we'll be doing

A works area will be established on Grimshaw Street, between the Greensborough Bypass and William Street, Greensborough. Works will include:

- installing traffic barriers, fencing and lighting to establish temporary works areas
- piling, pouring concrete and installing planks to construct the rail tunnel extension, new road bridge foundations and retaining walls
- installing and connecting new drainage, smart transport systems, traffic signals, lighting and utilities
- demolition, excavation and drilling works
- laying asphalt, line marking, and concrete to reinstate road and paths
- track works including realignment and ballast works

What to expect

As we do these works you may notice:

- varying levels of noise, light, dust and intermittent vibration during work hours
- materials and equipment deliveries to and from works areas, including out-of-hours via local roads
- AK Lines Reserve site compound operations
- changed traffic conditions on Grimshaw Street and local roads and footpaths
