

Works notice

Footpath closure

Swanston Street

20 to 31 October

The Swanston Street western footpath will close directly adjacent to the Flinders Quarter site from 20 to 31 October, for gantry modification works.

When we'll be working

- Monday 20 to Friday 31 October
- 7am to 2:30am, weekdays
- 7am to 3pm, Saturdays
- The footpath closure is 24 hours a day.

The timing of work may change depending on weather.

What we'll be doing

- Establishing a site on the Swanston Street western footpath (see map) using water barriers
- Removing sections of the existing pedestrian protection gantry and installing hoarding its place
- Demobilising the site and returning the area to the public.

What to be aware of

- The Swanston Street western footpath will be closed between Young & Jackson's and Dean's Souvenirs 24 hours a day until these works are complete
- Traffic management will be in place to manage the closure during working hours
- A pedestrian detour will be in place via the eastern Swanston Street footpath
- Access to all local buildings will be fully maintained during the closure
- These works are expected to generate medium levels of noise, with intermittent periods of high-level noise.

We appreciate your patience while we undertake these works. If you have any questions or concerns, please contact the Metro Tunnel Project information line on **1800 105 105**.
