

# Works notification

26 March 2021

## Day works

### Site establishment works at Carey Sports Complex, Bulleen

We've started moving close to 100 above and underground services such as power, water, gas, sewer and telecommunications to make way for North East Link.

From **Tuesday 6 April 2021** until **mid-2021** CPB Contractors will establish a work site at the Carey Sports Complex, Bulleen to support the construction of the Yarra East Main Sewer.

#### What we'll be doing

Works will include:

- Surveying and scanning the ground to locate services with handheld electronic equipment
- Installation of temporary ball net fencing, a shot put circle, pedestrian access path and offset car parking
- A drill rig to bore small diameter holes up to eight metres deep to take ground samples
- Using high-pressure water and a vacuum to carefully expose underground services and verify their location
- Installation of temporary safety fencing and lighting
- Vegetation removal
- Construction of a crushed rock base for the work area
- Installation of temporary site facilities and toilets
- Construction of launch and retrieval shafts ready for the deployment of a laser guided drill head in early 2021

#### When are we working?

**7am to 6pm**, Monday to Friday

From **Tuesday 6th April** until **mid-2021**.

Any work scheduled to occur outside these hours will only proceed after residents have been notified.

Visit [northeastlink.vic.gov.au/works](http://northeastlink.vic.gov.au/works) for schedule changes. If you have any questions, please contact us on **1800 105 105**

#### What to expect

During these works you may notice:

- Work crews in the area
- Noise from machinery and equipment, such as a crane, an excavator, roller, drilling rig and light vehicles
- Vibration while we compact the work area

#### Managing impacts

CPB Contractors are committed to minimising construction impacts for residents and the community and will implement the following mitigation measures where appropriate:

- Covering loads on trucks, when transporting excavated material and clean fill
- Dust suppression using water carts and binding agents
- Noise control equipment and sound blankets may be used on machinery and tools
- Tree protection zones to retain as many trees as possible.

Our community engagement team will be onsite and available to assist residents during the works.

Safety is our priority and we ask for your assistance with obeying instructions, signage, and maintaining social distancing during the coronavirus pandemic.

The phasing of these works is indicative and subject to change within the times specified in the works notification.

**We appreciate your patience and understanding throughout these works.**

#### Health and safety

The health and safety of our workforce and community remains our top priority. Physical distancing measures are in place as well as increased hygiene practices.
