

# Works notice

## Public realm services investigations, kerbing and roadworks

Laurens Street, North Melbourne

**Thursday 30 March until August 2023**

From Thursday 30 March until August, we will be undertaking public realm, road and footpath redevelopment works on the north-eastern side of Laurens Street between Arden and Barwise streets.

These works will involve locating underground services with a non-destructive digging truck, removing asphalt with an excavator and undertaking drainage and services modifications.

Following these works, bluestone kerbing and asphalt will be installed to redevelop the north-eastern footpath and southbound traffic lane on Laurens Street between Barwise and Arden streets.

### What we are doing

- Closing the southbound bicycle lane on Laurens Street, between Arden and Queensberry streets, and implementing a bicycle detour via Dryburgh Street
- Shifting the northbound and southbound lane on Laurens Street slightly to the west to maintain two-way traffic movements for vehicles
- Using a non-destructive digging truck to locate underground services and removing redundant asphalt with an excavator
- Undertaking drainage and services modifications
- Applying asphalt to the north-eastern pedestrian footpath on Laurens Street between Barwise and Arden streets.

### What to be aware of

- Crews will install waterfilled traffic barriers on Thursday 30 March from 7am on the north-eastern side of Laurens Street between Arden and Barwise streets
- Pedestrian access on the eastern pedestrian footpath will be maintained until late May while works continue on the western side of Laurens Street

- From late May until August, the eastern footpath will close and pedestrians will be detoured down the western side of Laurens Street
- The southbound bicycle lane on Laurens Street will be closed with southbound cyclists detoured down Dryburgh Street
- On street parking on the north-western side of Laurens Street between Barwise and Arden streets will be permanently removed to make way for the permanent public realm design
- Access to businesses will be maintained at all times
- Signage will be in place to safely direct vehicles, cyclists and pedestrians around the work area
- These works are expected to generate periods of medium to high level noise, depending on the work activity.

### When

- 30 March to August 2023
- Traffic barrier installation from 6am on Thursday 30 March
- Construction works will be carried out during standard working hours (from 7am to 6pm Monday to Friday and from 7am to 1pm Saturdays).
